## BUSINESS ENVIRONMENT & POLICY

Chính Phủ Việt Nam đã thông qua kế hoạch nâng mức tăng trưởng từ 6,5 đến 7% trong giai đoạn 2021-2025. Việt Nam đang trở nên chọn lọc hơn trong việc thu hút FDI để nâng cao chuỗi giá trị từ điểm đến đầu tư với nguồn lao động giá rẻ chuyển thành trung tâm phát triển ngành công nghiệp công nghệ cao.

Theo Tổng Cục Thống Kê Việt Nam, chỉ số sản xuất công nghiệp tháng 01/2021 ước tính tăng cao 22,2% so với tháng 01/2020, trong đó sản xuất sản phẩm điện tử, máy vi tính và sản phẩm quang học tăng 38%.

*Nguồn: Tổng Cục Thống Kê Việt Nam*

## LG DISPLAY RAISES INVESTMENT AT VIETNAM FACTORY

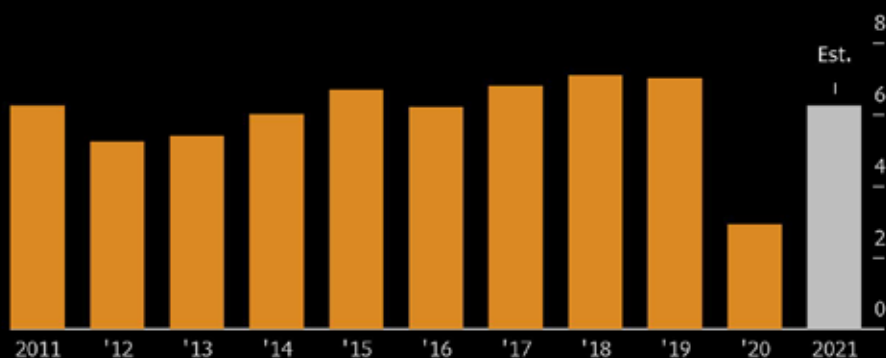

Vietnam's ruling Communist Party approved plans to raise growth to 6.5 to 7 percent for the 2021-2025 period. Vietnam is set to become more selective in attracting FDI as it wants to move up the value chain from a low-cost labour destination to a centre for hi-tech industry.

According to the General Statistics Office of Vietnam, the industrial production index in January 2021 is estimated to increase by 22.2% compared to January 2020, accordingly, manufacturing electronic products, computers and optical products increase 38%.

Bloomberg

## INDUSTRY MOVEMENTS

### VINGROUP MAKES NEWS STEPS FOR MOBILE PRODUCTION INDUSTRY

Gần đây, LG đã đẩy mạnh việc chuyển giao mảng kinh doanh điện thoại di động để tập trung vào các lĩnh vực khác như linh kiện xe điện (EV). Sau thông báo của LG, Vingroup được xem là "nhà thầu phù hợp" với tiềm năng đi đến một thương vụ thành công khi công ty niêm yết lớn nhất tại Việt Nam đang tìm cách mở rộng hoạt động sang các ngành công nghệ cao. Tuy nhiên, các cuộc thảo luận gần đây được cho là đã kết thúc do hai bên không đạt được đồng thuận về giá.

*Nguồn: The Korea Times*

## CHUYỂN ĐỘNG TRONG NGÀNH

### VINGROUP TẠO NHỮNG BƯỚC MỚI CHO NGÀNH CÔNG NGHIỆP ĐIỆN THOẠI

Recently, LG put its mobile phone business up for sale to concentrate on other areas such as electric vehicle (EV) components. Following the LG announcement, Vingroup was mentioned as the "right bidder" in possibly striking a deal, as the largest listed firm in Vietnam has been seeking to expand into high-tech industries. However, the discussions recently collapsed mostly due to the price difference.

# REED TRADEX HỢP TÁC CÙNG VEIA VÀ PR NEWswire

TỔ CHỨC TỌA ĐÀM SÁNG KIẾN DOANH NGHIỆP  
(PHIÊN BẢN TRỰC TUYẾN)

TP.HCM, Ngày 10 tháng Sáu năm 2020 – Reed Tradex, đơn vị tổ chức triển lãm hàng đầu Đông Nam Á đã đánh dấu sự hợp tác cùng Hiệp hội Doanh nghiệp điện tử Việt Nam (VEIA) và Tập đoàn Truyền thông PR Newswire thông qua buổi Lễ ký kết Thỏa thuận hợp tác (MOU) đồng hành cùng chương trình Tọa đàm Sáng kiến Doanh nghiệp 2020 – chuỗi hội thảo trực tuyến xoay quanh chủ đề “Kinh doanh Du kích trong Thời đại số”. Mục tiêu buổi Lễ ký kết không chỉ để tập trung các nguồn lực hỗ trợ cho doanh nghiệp điện tử Việt vực dậy hậu Covid-19 mà còn hướng đến tạo tiền đề cho các nhà sản xuất trong lĩnh vực điện tử gia nhập chuỗi cung ứng toàn cầu.

Ý tưởng Tọa đàm Sáng kiến Doanh nghiệp (thông qua chuỗi hội thảo trực tuyến) được đưa ra sau khi Reed Tradex Việt Nam nhìn thấy nhu cầu và nhận được các phản hồi từ các doanh nghiệp trong nước và quốc tế về việc chia sẻ thông tin, xu hướng cũng như các giải pháp mới, mang tính đột phá trong việc tận dụng lợi ích của các cơ hội kinh doanh thông qua các công cụ trực tuyến. Do đó, nhằm hỗ trợ các doanh nghiệp trong lĩnh vực điện tử, NEPCON sẽ hợp tác với các nhà lãnh đạo doanh nghiệp, chuyên gia tư vấn, chuyên gia trong ngành công nghiệp điện tử và các cơ quan chính phủ để tổ chức chuỗi hội thảo trực tuyến nhằm cập nhật thông tin và các nghiên cứu, giải pháp kinh doanh thực tế sau Covid-19.

Ông Vũ Trọng Tài, Tổng Giám đốc Công ty Reed Tradex Việt Nam chia sẻ: “Ghi nhận mối quan tâm cùng nỗi lo lắng ngày càng gia tăng nhanh chóng của nhiều doanh nghiệp về tương lai của hoạt động sản xuất sau đại dịch, Reed Tradex khẳng định ưu tiên hàng đầu của chúng tôi luôn hướng đến quý đối tác, đơn vị triển lãm và khách khách tham quan. Và

## VỀ PR NEWSWIRE:

PR Newswire, công ty con của Tập đoàn Cision, là đơn vị tiên phong trong lĩnh vực phân phối và giám sát nội dung báo chí cho doanh nghiệp có trụ sở tại thành phố New York, Mỹ. Dịch vụ được khởi xướng vào năm 1954 để đáp ứng nhu cầu truyền tải thông tin của doanh nghiệp đến các cơ quan sự nghiệp tin tức thông qua hình thức gửi thư hàng loạt. Trải qua hơn 65 năm hoạt động, PR Newswire phủ sóng tại 5 khu vực trọng điểm gồm Bắc Mỹ, Mỹ Latin, Châu Phi và Trung Đông, Châu Á Thái Bình Dương và Châu Âu và thiết lập quan hệ đối tác tin tức với những cơ quan thông tấn hàng đầu như FT, Bloomberg, MarketWatch, Yahoo! Finance... cùng những con số ấn tượng:

- Mạng lưới báo chí phủ sóng ở trên **170 quốc gia**, nội dung được dịch ra **40 thứ tiếng**
- Cơ sở dữ liệu hơn **300.000 cơ quan truyền thông**, **1.700.000 nhà báo**, phóng viên tự do, người có tầm ảnh hưởng, blogger
- Đối tác truyền thông với hơn **11.000 cơ quan báo chí**, trang tin điện tử

**PR Newswire**  
a CISION company

Reed tradex luôn sẵn sàng đồng hành trong hoạt động kết nối kinh doanh và cũng như tăng cường hỗ trợ doanh nghiệp bằng các giải pháp thiết thực.”

“Hợp tác giữa PR Newswire và Reed Tradex, trong khuôn khổ triển lãm NEPCON Việt Nam, nhằm mở rộng mạng lưới đối tác của PR Newswire tại thị trường Việt Nam, để thông tin của tổ chức, doanh nghiệp nước ngoài đến với nhiều độc giả hơn. Điều này sẽ hỗ trợ các doanh nghiệp điện tử duy trì nhận diện thương hiệu trên hệ thống báo chí quốc tế mà vẫn đảm bảo tối ưu chi phí cho hoạt động

truyền thông”, theo Ông Vũ Thái Dũng, đại diện PR Newswire Việt Nam.

#### Về Hiệp hội Doanh nghiệp điện tử Việt Nam:

Hiệp hội Doanh nghiệp Điện tử Việt Nam được thành lập từ năm 2000 là tổ chức có phạm vi toàn quốc của các doanh nghiệp sản xuất, kinh doanh và dịch vụ trong lĩnh vực điện tử, công nghệ thông tin và viễn thông ở Việt Nam.

Hiệp hội hiện có 115 hội viên trong đó có 104 hội viên chính thức và 11 hội viên liên kết, gồm các nhà sản

xuất, kinh doanh, dịch vụ trong các lĩnh vực điện tử dân dụng, điện tử công nghiệp, linh kiện điện tử, các sản phẩm công nghệ thông tin và viễn thông. Hiệp hội Doanh nghiệp Điện tử Việt Nam có quan hệ chặt chẽ với nhiều Hội, Hiệp hội cùng ngành hàng trong khu vực và trên thế giới và là thành viên chính thức của các tổ chức xã hội nghề nghiệp quốc tế như Diễn đàn Điện tử các nước ASEAN (2003), Diễn đàn Điện tử Châu Á (2004) và Diễn đàn Điện tử Thế giới (2009).

## REED TRADEX SET THE PARTNERSHIP WITH VEIA AND PR NEWSWIRE FOR THE FIRST BUSINESS INNOVATION ZONE (ONLINE VERSION)

HCMC, 10 June 2020 – Reed Tradex, ASEAN’s leading exhibition organizer, together with Vietnam Electronic Industry Association (VEIA) and PR Newswire have organized Memorandum of understanding (MOU) Signing Ceremony for empowering the Business Innovation Zone 2020 – an online webinar series under the theme “Guerilla Business In the Age of Digitization”. The MOU signing event was organized with the goal to not only gather all resources to support for electronics business firms after Covid-19, but also push forward Vietnamese electronics manufacturers towards to be able to join the global supply chains.

The idea for Business Innovation Zone came after NEPCON saw the

demand and received the enquiries for additional information to support both local and international enterprises with information and solution in utilizing the benefits of online business opportunities. In response to the changing landscape of the manufacturing and supporting industry field after the pandemic, NEPCON will partner with business leaders, consulting experts, industry professionals, government officers to organize webinar series which will offer new insights and case studies.

Mr. Vu Trong Tai, General Manager of Reed Tradex Vietnam shared that: “Seeing the rapidly rising concerns of many companies about the future of the business after the lockdown, it's important to Reed

Tradex that the partners, exhibitors and visitors aware we are here for business connecting and always willing to provide the valuable support together with practical solutions”.

“The cooperation between PR Newswire and Reed Tradex, under NEPCON Vietnam, strives to expand PR Newswire's network in Vietnam market, so that the information of foreign organizations and businesses reaches more readers. This will support for electronics businesses maintain brand recognition in the international press system while ensuring optimal communication costs”, said Mr. Vu Thai Dung, Representative of PR Newswire Vietnam.

### About Vietnam Electronic Industry Association:

Vietnam Electronic Industries Association (VEIA) was established in June 2000 by a group of electronic manufacturers to meet the growing demand of industrial activities and promote the cooperation and the development of electronic industry in Vietnam. VEIA is a voluntary, non-profit and non-government nationwide organization.

Recently, VEIA has 115 members, in which 104 regular members and 11 associate members, including companies engage in manufacturing, trading and service in the fields of electronics, information technology and communication. VEIA is an industry organization in Vietnam with activities covering both the electronics and ICT fields. VEIA also is a member of main international organizations in electronics and ICT fields such as ASEAN Electronics Forum (since 2003), Asian Electronics Forum (since 2004) and World Electronics Forum (since 2009), which helps to demonstrate VEIA's role as the perfect bridge between the electronics and ICT industry in Vietnam and the global electronics industry.

### About PR Newswire:

PR Newswire, a Cision company, is a leading global provider of news distribution and monitoring services based in New York City, USA. The service was launched in 1954 to meet the demands of information transmission from businesses to news agencies through mass mailing. Over 65 years of expansion, PR Newswire has presented in 5 key regions including North America, Latin America, Africa and the Middle East, Asia Pacific and Europe and established content partnerships with renown news agents like FT, Bloomberg, MarketWatch, Yahoo! Finance ... and outstanding numbers:

- Global network of over 170 countries and 40+ Languages
- Database of over 300,000 media outlets, 1,700,000 journalists, freelance journalists, influencers, and bloggers
- Partnership with more than 11,000 media sites

## TỌA ĐÀM SÁNG KIẾN DOANH NGHIỆP

### PHẦN 1: DOANH NGHIỆP ĐIỆN TỬ VIỆT VÀ CƠ HỘI GIA NHẬP CHUỖI CUNG ỨNG TOÀN CẦU HẬU COVID-19

Năm 2020 đánh dấu những thay đổi mang tính đột phá cho ngành điện tử bao gồm xu hướng chuyển đổi hoạt động sản xuất linh kiện điện tử từ các thị trường quốc tế sang Việt Nam, sự ra đời của nhà máy sản xuất điện thoại thông minh Vsmart của Vingroup và đặc biệt là thỏa thuận ký kết Hiệp định thương mại tự do với Liên minh châu Âu (EVFTA), hứa hẹn mở ra nhiều cánh cửa mới cho ngành điện tử Việt.

Trước bối cảnh đó, vào ngày 10 tháng 6 năm 2020, trong khuôn khổ Tọa đàm Sáng kiến Doanh nghiệp 2020, chuỗi hội thảo trực tuyến tiền triển lãm NEPCON, Công ty Reed Tradex Việt Nam cùng Hiệp hội doanh nghiệp điện tử Việt Nam (VEIA), Công ty PR Newswire và Trung tâm Hỗ trợ phát triển Công nghiệp, Cục Công nghiệp, Bộ Công thương đã tổ chức Phần 1 của chuỗi

hội thảo trực tuyến với chủ đề “Doanh nghiệp điện tử Việt và Cơ hội gia nhập chuỗi cung ứng toàn cầu hậu Covid-19”.

Tại buổi tọa đàm, bà Đỗ Thị Thúy Hương, Ủy viên Ban Chấp Hành, Hiệp hội doanh nghiệp điện tử Việt Nam (VEIA) đã trình bày về “Những thách thức và cơ hội mới cho doanh nghiệp điện tử hậu Covid-19” cùng những chia sẻ từ các trường hợp kinh doanh cụ thể trong ngành điện tử. Bà Hương nhận định: “Các doanh nghiệp trong ngành điện tử cần tập trung nâng cao năng suất cải thiện môi trường kinh doanh, thúc đẩy liên kết các chuỗi cung ứng trong nước. Việc kết nối doanh nghiệp trong nước với các doanh nghiệp FDI của ngành điện tử trong khu vực và trên thế giới là vô cùng cần thiết và quan trọng trong bối cảnh sau đại dịch.”

Là một trong những diễn giả chính của tọa đàm, Bà Nguyễn Thị Xuân Thuý, Phó Giám đốc Trung tâm IDC, Cục Công nghiệp – Bộ Công thương cũng đã cập nhật các vấn đề liên quan đến chính sách hỗ trợ của chính phủ dành cho ngành Công nghiệp Điện tử Việt Nam, Cơ hội từ EVFTA và chính sách kết nối doanh nghiệp. Bà Thuý bày tỏ quan điểm: “Khi ngành điện tử Việt Nam xây dựng được mạng lưới các nhà cung cấp trong nước có năng lực cạnh tranh toàn cầu thì sẽ giúp giảm rủi ro về chuỗi cung ứng, thời gian giao hàng cũng như chi phí. Đồng thời, nhóm này cũng sẽ hỗ trợ gia tăng tính linh hoạt của ngành điện tử nói riêng và nền kinh tế nói chung, giúp giữ chân doanh nghiệp FDI hiện có và thu hút nguồn FDI mới”.

## BUSINESS INNOVATION ZONE 2021

### FIRST EPISODE:

## VIETNAMESE ELECTRONICS BUSINESS & OPPORTUNITIES TO PARTICIPATE IN GLOBAL SUPPLY CHAIN AFTER COVID-19

2020 is the year of breakthrough changes for the electronics industry, including the trend of converting electronic components production from international markets to Vietnam, and especially The European Union Vietnam Free Trade Agreement (EVFTA) was signed, there are many new doors for the Vietnamese electronics companies in the future.

Accordingly, on 10th June 2020, under the scope of Business Innovation Zone 2020, a pre-show activities of NEPCON Vietnam, Reed Tradex Vietnam and the Vietnam Electronic Industries Association (VEIA), PR Newswire and IDC Center, Industry Agency - Ministry of Industry and Trade organized the first episode of webinar series with the main topic as

**“ Vietnamese Electronics Business & Opportunities To Participate In Global Supply Chain After Covid-19 ”**

During the webinar, Ms. Do Thi Thuy Huong, Member of the Executive Board, Vietnam Electronic Industries Association (VEIA) presented about “The new opportunities and challenges of electronics firms after Covid-19” and conducted some showcase for business ideas. Ms. Huong said: “The enterprises in the electronics industry should focus on activities that can help improve productivity, business environment and supply chain values as well as connect domestic firms with FDI resources in the region and around the world. This linkage is necessary and important for business in the electronics industry after the pandemic.”

As key speaker of the webinar, Ms. Nguyen Thi Xuan Thuy, Deputy Director of IDC Center, Industry Agency - Ministry of Industry and Trade updated the policy and issues related to Vietnam electronics industry, opportunities from EVFTA and the policy of connecting businesses from government

perspective. Ms. Thuy shared: “It is an important moving-forward step that Vietnam electronics industry builds a network of domestic suppliers with global competitiveness, it will help reduce risks of supply chain, delivery time as well as production cost. Meanwhile, high-qualified electronic business will also support for increasing the flexibility of the electronics industry in particular and the economy in general, helping to remain existing FDI enterprises and attracting new FDI resources.”

## CONNECT TO BUSINESS OPPORTUNITIES WITH INTERNATIONAL PAVILIONS AT NEPCON 2021

NEPCON Vietnam 2021 offer business opportunities for suppliers, buyers and partners with potential for setting partnerships with strong international presence from Japan, Korea, USA, Singapore, Taiwan, China and Vietnam,... It is an exceptional chance for show participants to meet foreign investors, exchange the ideas, and of course make international connections across ASEAN.

## KẾT NỐI CƠ HỘI KINH DOANH CÙNG CÁC KHU GIAN HÀNG QUỐC TẾ TẠI NEPCON 2021

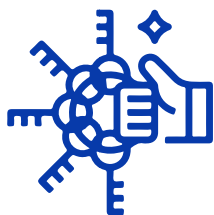

NEPCON Việt Nam 2021 mang đến nhiều cơ hội kinh doanh cho các nhà cung cấp, người mua hàng và các đối tác nhằm hướng đến việc xây dựng quan hệ đối tác mạnh mẽ hơn với sự hiện diện của các doanh nghiệp đến từ nhiều quốc gia như Nhật Bản, Hàn Quốc, Mỹ, Singapore, Đài Loan, Trung Quốc và Việt Nam,... Đây là cơ hội để những người tham gia triển lãm gặp gỡ các nhà đầu tư nước ngoài, trao đổi ý tưởng và thiết lập nhiều liên kết quốc tế trên khắp khu vực Đông Nam Á.

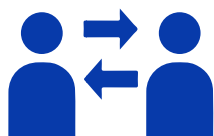

## 4 TIÊU ĐIỂM NỔI BẬT TẠI NEPCON

## 4 KEY HIGHLIGHTS AT NEPCON

Cơ hội tiếp cận không giới hạn nhiều đơn vị triển lãm để chiêm ngưỡng và trải nghiệm hàng trăm thiết bị điện tử cùng các giải pháp kỹ thuật.

Chances for approaching many exhibitors to see and experience hundreds of electronics equipments and technical solutions.

Không gian cho cộng đồng ngành điện tử trao đổi thông tin và học hỏi từ hàng ngàn khách tham quan triển lãm.

Community hub for electronics companies exchange information and learn from thousands of visitors.

Kết nối cùng các nguồn lực để xây dựng các mối quan hệ kinh doanh tiềm năng trên thị trường quốc tế.

Connect to international resource to build up potential business relationships in global market.

Nhiều hoạt động và dịch vụ hỗ trợ kết nối doanh nghiệp diễn ra xuyên suốt thời gian diễn ra triển lãm.

Various supporting services and activities for business matching during show days.

NEV202110001

### DELO INDUSTRIAL ADHESIVES

**Brand : DELO MODEL(DELO DUALBOND)**  
**Country Of Origin: GERMANY**

- Adhesive specialized for voice coil motor (VCM) in the camera module
- Adhesive for IR filter lens
- Adhesive for the lens holder
- Bonding camera housing

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

NEV202010002

### LED CURING LAMP

**Brand : DELO**  
**Model : DELO LUX 20**  
**Country Of Origin: GERMANY**

- Wavelength: 365nm; 400nm & 460nm
- Intensities: up to 2000mW/cm2
- Light exit area: 100 x 100 mm
- Lifetime exceeding 20,000 hours

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

### X-RAY FLUORESCENCE SPECTROMETER FOR ROHS APPLICATION

NEV202110003

**Brand : ELVATECH**  
**Model : ELVAX ROHS**  
**Country Of Origin: UKRAINE**

- High speed and high accuracy
- Compact, does not take up much space on the table
- Analysing hazardous elements Cd, Pb, Hg, Cr, Br, Cl, S, Sn, Sb
- Reasonable price

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

### NON-DESTRUCTIVE X-RAY INSPECTION MACHINE

NEV202110004

**Brand : SEAMARK ZM**  
**Model : X6600**  
**Country Of Origin: CHINA**

- X6600 X-Ray Inspection Machine for Semiconductor, Packing components, LED, SMT, BGA, CSP, Flip Chip Inspection
- 90KV 15 um closed X-ray tube, with long life, maintenance in free
- 1.3million high resolution digital flat panel detector
- Automatic programming detection and automatic analysis Not good or Pass

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

### NON-CONTACT THICKNESS MEASURING MICROSCOPE

NEV202110005

**Brand : UNION**  
**Model : THS SERIES**  
**Country Of Origin: JAPAN**

- THS series is a non-contact thickness/height/depth measuring system based on an optical type focal point detection method, incorporating the two microscope optical systems of the top and bottom, with precise focus indicator using index graticule.
- Thickness can be measured up to 25mm with observing the surface of measuring point
- Semiconductor parts: Silicon wafers, lead frame fingers, etc.
- Electronic parts: Printed circuit boards, Hybrid IC steps, etc.

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

### TEMPERATURE & HUMIDITY TEST CHAMBER

NEV202110006

**Brand : VISION TEC**  
**Model : VT-THC SERIES**  
**Country Of Origin: KOREA**

- Temperature range: -70 to +1500C;
- Humidity range: 20 to 98%
- Inner dimension: from 500x500x600 to 1000x800x1000
- Temp. distribution: 0,10C
- Humidity distribution: 0,1%

HUST VIETNAM TECHNICAL EQUIPMENT CO., LTD

### SWITCH MODE TRANS

NEV202110007

**Country Of Origin: VIETNAM**

- Product name: Switch Mode Trans
- MOQ: 2000pcs/Lot~
- Material: Ferrite core, Copper wire
- Application: Consumer products and Industrial equipments

VIETNAM TABUCHI ELECTRIC CO.,LTD

### CURRENT TRANS

NEV202110008

**Country Of Origin: VIETNAM**

- Product name: Current Trans
- MOQ: 2000pcs/Lot~
- Material: Ferrite core, Copper wire
- Application: Current Sense 10A~20A

Applications:  
Current detection in  
perfectly current and used  
circuits of various  
equipment use in building  
power supply

VIETNAM TABUCHI ELECTRIC CO.,LTD

NEV202110009

## EDGEWISE CHOKE COIL

Country Of Origin: VIETNAM

- Product name: Edgewise choke coil
- MOQ: 2000pcs/Lot~
- Material: Magnetic, Flats wire, Insulator
- Application: EV 55A ~ 200A

VIETNAM TABUCHI ELECTRIC CO.,LTD

NEV202110010

## ICT TEST PROBE

Product Name: ICT TEST PROBE  
Brand: B.T.TECH

- Multi-specification
- Stable performance
- Long life cycle
- Low impedance

CHIP SHINE ELECTRONICS TECHNOLOGY CO.,LTD

## RF CABLE & PROBE

NEV202110011

Brand: CSR  
Country of Origin: China

- RF Over DC -40 GHz
- Stable phase
- Ultra low loss
- Superior shielding effectiveness

CHIP SHINE ELECTRONICS TECHNOLOGY CO.,LTD

## POGO PINS

NEV202110012

Brand: TEST WELL  
Country of Origin: CHINA

- Multi-specification
- Stable performance
- Long life cycle
- Low impedance

CHIP SHINE ELECTRONICS TECHNOLOGY CO.,LTD

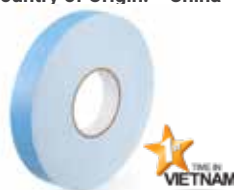

## DOUBLE SIDED POLYETHYLENE FOAM TAPE

NEV202110013

Brand: Finechem  
Model: 4011-SS-3050

Country of Origin: China

- Double sided polyethylene foam tape is made with Acrylic Solvent.
- Widely used in automotive interior parts, door trim, trim strip, front trim, back trim, the threshold, rain gear, signs;
- Metal trim, bonding glass; Construction for window and door; Widely used in electronic materials fixed, buffering, waterproof, mobile phone dustproof, headphones parts

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

## DOUBLE-SIDED POLYESTER FILM TAPE

NEV202110014

Brand: Finechem  
Model: 1013-160mic

Country of Origin: China

- Double sided polyester film tape is made with acrylic solvent.
- Suitable for kinds of nameplates and film switches mounting and fixing;
- Good filling for rigid to rigid substrate bonding;
- For dimensional stability and improved handling with ease of die cutting and laminating;
- Adhesion to plastic and foam, attach gaskets and LED lens on cellular phones and pagers.

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

## DOUBLE SIDED ACRYLIC FOAM TAPE

NEV202110015

Brand: Finechem  
Model: 601

Country of Origin: China

- Double sided Acrylic foam tape made with acrylic solvent.
- Assemble glass wall, provide superior adhesion in sealing and dust proof;
- Use in construction industry, insulation, connections, binding, waterproof and sealing;
- Fix electronic products, assembly processing;
- For automotive rubbing strip, decorative strip, nameplate, labels and pedals, etc.

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

## POLYESTER FILM TAPE WITH SILICONE ADHESIVE

NEV202110016

Brand: Finechem  
Model: 102

Country of Origin: China

- Polyester Film Tape with Silicone Adhesive.
- Polyester film as carrier, high temperature resistance, good insulation performance;
- Silicone pressure sensitive adhesive, aggressive adhesion, high temperature resistant;
- Surface protection without any residue.

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

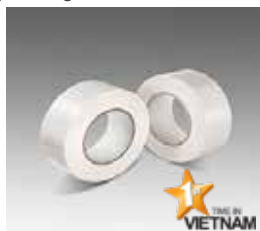

NEV202110017

### DOUBLE SIDED TISSUE TAPE

Brand: Finechem  
Model: 701

Country of Origin: China

- Double sided Tissue tape made with Acrylic solvent.
- For evaporator in refrigerator, symbols, badges and the bonding between foam and rubber;
- For household electric appliances and electronic apparatus.
- High performance modified acrylic adhesive, excellent for most surface, even LSE material.

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

### POLYIMIDE TAPE WITH SILICON ADHESIVE

NEV202010018

Brand: Finchem  
Model: 202

- Polyimide Tape With Silicon Adhesive.
- Polyimide film as carrier, high temperature resistance, good insulation performance;
- Silicone pressure sensitive adhesive, good high temperature resistant;
- Surface protection without adhesive residue.

FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)

> **axREL**

NEV202110019

Brand: INKANTO  
Model: RESIN RIBBON  
Country of Origin: SINGAPORE

AXR EL has been specially developed for electronics industries and electronic subassemblies, resistant to high temperature up to 300 degree Celsius, to PCB cleaning solvents and offering a print sharpness even for the small barcodes. It is compatible to most of the synthetic or polyimide label materials.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

> **axR7+**

NEV202110020

Brand: INKANTO  
Model: RESIN RIBBON  
Country of Origin: SINGAPORE

AXR 7+: Well-known ribbon and has achieve to most UL materials. Its high versatility (it also prints on coated papers), its performances (sharpness, printing speed) and its ability to widen the usual application from home applicants, rating plate, medical product etc. It has high resistant to friction, scratching and heat.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

> **apR1**

NEV202110021

Brand: INKANTO  
Model: WAX RESIN  
Country of Origin: SINGAPORE

APR 1 is our competitive & environment friendly wax-resin ribbon with high print density (blackness) and excellent sharpness adapted to all kind of barcodes and traceability data. It uses 12% less PET than any ribbon in the market. Recommended for distribution, warehousing, spare part package etc.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

> **awR1**

NEV202110022

Brand: INKANTO  
Model: WAX  
Country of Origin: SINGAPORE

AWR 1 is the standard wax ribbon with competitiveness price combined with good printing quality. Versatile on coated & uncoated labels. Ideal application for logistic, courier etc. Good for price sensitive users.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

> **axR8**

NEV202110023

Brand: INKANTO  
Model: RESIN  
Country of Origin: SINGAPORE

AXR 8 is a high-performance resin ribbon designed for the most demanding applications regarding resistance to mechanical aggressions and/or temperature and/or solvents. It is fully compatible with the label materials dedicated to the same high-performance applications. Recommended for mechanical parts, signage & logo, PCB etc.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

> **awXFH**

NEV202110024

Brand: INKANTO  
Model: WAX  
Country of Origin: SINGAPORE

AWX FH is the enhanced wax ribbon with high sensitivity enabling good sharpness and mechanical resistance even printing at high speed for small fonts and 90° barcode. Recommended for product identification label (hard polypropylene glossy film with top coating treatment) & logistics coated label.

ARMOR ASIA IMAGING SUPPLIES PTE LTD

## COGNEX THE IN-SIGHT® 3D-L4000

NEV202110025

Brand: Cognex  
Model: In-Sight 3D-L4000

- High performance 2K resolution 3D smart camera
- Speckle-free blue laser optics
- Broad suite of true 3D vision tools
- In-Sight spreadsheet-based setup

COGNEX VIETNAM CO., LTD

## COGNEX THE IN-SIGHT® D900 VISION SYSTEM

NEV202110026

Brand: Cognex  
Model: In-Sight D900

- Powered by In-Sight ViDi™
- In-Sight ViDi Read tool solves challenging OCR applications in minutes
- In-Sight ViDi Check tool performs fast and accurate assembly verification
- In-Sight ViDi Detect tool analyzes complex defect detection tasks

COGNEX VIETNAM CO., LTD

## COGNEX DATAMAN® 8700 HANDHELD BARCODE READER

NEV202110027

Brand: Cognex  
Model: DataMan 8700

- Oil- and water-resistant housing
- Premium read performance in milliseconds
- OLED display screen makes setup easy
- Supports more communication options

COGNEX VIETNAM CO., LTD

## PROGRAMMABLE DC POWER SUPPLY

NEV202110028

Brand: Magna Power  
Model: SL Series  
Country of Origin: USA

- 1.5kW - 10kW
- 10kW in 1U
- Highest Power Density in the world
- High-accuracy voltage and current programming accuracy

EDACPOWER ELECTRONICS PTE LTD

## PROGRAMMABLE DC ELECTRONICS LOAD

NEV202110029

Brand: APM Technologies Ltd.  
Model: ELS Series  
Country of Origin: China

- Three voltage ranges 200V/600V/1200V
- High Power Density
- Professional and Advanced Version

EDACPOWER ELECTRONICS PTE LTD

## THERMAL MAGING CAMARA

NEV202110030

Brand: LumaSense  
Model: ThermalSpec 724  
Country of Origin: USA

- Dual Vision: Infrared thermography & visual monitoring 24/7
- IP 66 Enclosure
- Pan and Tilt base
- Powerful LumaSpec RT Softwar

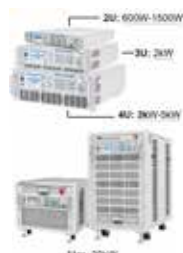

EDACPOWER ELECTRONICS PTE LTD

## PROGRAMMABLE AC-AC POWER SUPPLY

NEV202110031

Brand: APM Technologies Ltd.  
Model: SP Series  
Country of Origin: China

- AC+DC mixed or independent output mode
- Capable of setting output slope/phase angle
- Built-in IEC standard test function
- Support for LIST/PULSE/STEP mode & Transient mode

EDACPOWER ELECTRONICS PTE LTD

## SCR POWER CONTROLLER

NEV202110032

Brand: Advanced Energy  
Model: Thyro Family  
Country of Origin: USA

- Toughest design
- Precision and Reliability
- High Efficiency
- 1-, 2- and 3-phase versions

EDACPOWER ELECTRONICS PTE LTD

NEV202110033

### DOUBLE SIDED TISSUE TAPE

**Brand:** AE (Excelsys)  
**Model:** CoolX 1800  
**Country of Origin:** Ireland

- High Power Density
- Multiply outputs (Up to 12 outputs)
- High Efficiency and Reliable
- Come with 3kW

EDACPOWER ELECTRONICS PTE LTD

### BRUSHLESS SCREW DRIVER (BUILT-IN SCREW COUNTER)

**Brand:** HIOS  
**Model:** BLG-BC2  
**Country of Origin:** JAPAN

- Detect errors in screw fastening in real time with high accuracy by counting the pulse of motor
- Direct teaching allows a simple setting
- Display panel indicates the measured values
- Installed serial port (RS-232) make it possible to set the driver by remote control and record the pulse values

HIBEX SINGAPORE PTE LTD

### MULTIFUNCTIONAL DESKTOP ROBOT

**Brand:** JANOME  
**Model:** JR-3000 SERIES  
**Country of Origin:** JAPAN

- JR-3000 designed with both cell production sites and automated inline installation in mind
- Increased the structural rigidity, which in turn makes it faster (up to 900mm/s), more accurate
- Field bus Compatibility, Ethernet (LAN) Included as Standard Equipment
- Control up to 4 Axes and 2 External Motors  
-> Used as a 6 Axis Robot / Easy Camera System Installation

HIBEX SINGAPORE PTE LTD

### FOLD TAPE DISPENSER

**Brand:** YAESU  
**Model:** ZCUT-10  
**Country of Origin:** JAPAN

- Six different lengths can be programmed to cut (up to 12 Program)
- Possible to cut two roll tapes at the same time due to Dual Photo Sensor
- Preset and loop Counter
- Tape Support to position a cut piece of tape for easy to take, Possible to cut non-adhesive tapes

HIBEX SINGAPORE PTE LTD

### REFLOW SYSTEM

**Brand:** ERSA  
**Model:** Hotflow 3/20  
**Country of Origin:** Germany and China

- Best in class thermal performance, thermal Profile Recording
- Up to 1.4m/min production speed
- Low energy and nitrogen consumption, best accessibility, easy maintenance
- Best Service in Vietnam, machine can be tested at our show room in HCM

KURTZ ERSA VIETNAM COMPANY LIMITED

### SELECTIVE SOLDERING SYSTEM

**Brand:** Ers  
**Model:** Versaflow 4/55  
**Country of Origin:** Germany

- Selective soldering guarantees high quality process
- High flexible machine, smart programming with auto routing
- Up to six soldering pot for high throughput
- Buy from the market and technology leader, best service in Vietnam

KURTZ ERSA VIETNAM COMPANY LIMITED

### REWORK & INSPECTION SYSTEMS

**Brand:** Ers  
**Model:** HR 600/2  
**Country of Origin:** Germany

- Highly efficient 800 W hybrid heating head Homogeneous, large-area IR bottom • heating with 3 heating zones (800 W each)
- Automatic and precise component alignment with the help of machine vision
- Highly accurate, motor-driven axis system for component placement (+/- 0.025 mm)

KURTZ ERSA VIETNAM COMPANY LIMITED

### WAVE SOLDERING SYSTEMS

**Brand:** Ers  
**Model:** POWERFLOW ULTRA XL  
**Country of Origin:** Germany

- Maximum working width up to 520 mm
- Best process reliability even at highest throughput rates
- Targeted and economical flux application due to programmable flux ranges
- Modular preheating configuration for flexible and reproducible heat input

KURTZ ERSA VIETNAM COMPANY LIMITED

## REFLOW SOLDERING

NEV202110041

**Brand:** Ers  
**Model:** EXOS 10/26  
**Country of Origin:** Germany

- Maximum working width up to 520 mm
- Best process reliability even at highest throughput rates
- Targeted and economical flux application due to programmable flux ranges
- Modular preheating configuration for flexible and reproducible heat input

KURTZ ERS VIENTNAM COMPANY LIMITED

## STENCIL PRINTERS

NEV202110042

**Brand:** Ers  
**Model:** VERSAPRINT 2  
**Country of Origin:** Germany

- Based on the proven VERSAPRINT machine base
- The only machine in the market with integrated 100% 2D or 3D inspection
- New software design with portrait format for more production space
- Touch interface for easy operation

KURTZ ERS VIENTNAM COMPANY LIMITED

## INLINE X-RAY MACHINE

NEV202110043

**Brand:** Unicomp Technology  
**Model:** LX2000  
**Country of Origin:** China

- Fully inline, Auto Detecting and Analyzing for OK & NG parts
- CNC Programmable Inspection, Easy Operation and User Friendly
- Support Rework Database Management System, MES and ERP System
- Convenient Target Point Positioning System

SHENZHEN UNICOMP TECHNOLOGY CO., LTD

## SMD COMPONENT COUNTER X-RAY

NEV202110044

**Brand:** Unicomp Technology  
**Model:** CX7000L  
**Country of Origin:** China

- Automatic counting, no need on programs switch for different components, minimum package 01005 chip
- Compatible with 7"-17" tape & reels, Stick package, JEDEC Tray Package with over 99.9% accuracy
- Automatic link with ERP & MES System, and storage system, Special advantage for incoming inspection and inventory management me radiation leakage monitoring

SHENZHEN UNICOMP TECHNOLOGY CO., LTD

## PROGRAMMABLE DC ELECTRONICS LOAD

NEV202110045

**Brand:** Unicomp Technology  
**Model:** AX8200Max  
**Country of Origin:** China

- BGA Soldering Voids Auto-measuring and Support Data/Graphic Output
- Support Measuring Distance, Angle, Diameter, Polygon, PTH filling rate, etc.
- CNC Programmable Inspection, Easy Operation and User Friendly
- Real-time Displaying the Working Data of Voltage, Current, Angle, Date, etc.

EDACPOWER ELECTRONICS PTE LTD

## DESKTOP X-RAY INSPECTION MACHINE

NEV202110046

**Brand:** Unicomp Technology  
**Model:** CX3000  
**Country of Origin:** China

- Portable with Wheels and Handle, Slim Size and Desk-top Design Down,
- Table up and down movement plus PCBA 360 degree Rotation
- X-ray automatic off when it is out of work over than 5 minutes
- BGA Soldering Voids Auto-measuring and Support Data/Graphic Output

SHENZHEN UNICOMP TECHNOLOGY CO., LTD

## SPECIALTY COATING SYSTEMS

NEV202110047

- Ultra-thin, conformal coatings
- Excellent moisture, dielectric and chemical barrier
- Excellent thermal stability and UV stable Waterproof protection

SPECIALTY COATING SYSTEMS

## PARYFREE®

NEV202110048

- Halogen-free variant of Parylene
- Waterproof protection
- Ultra-thin, conformal coating
- Excellent moisture, dielectric and chemical barrier

SPECIALTY COATING SYSTEMS

NEV202110049

### PARYLENE HT®

- Ultra-thin, conformal coating
- Thermal stability up to 350°C long-term (450°C short-term)
- Superior UV stability
- Excellent barrier properties

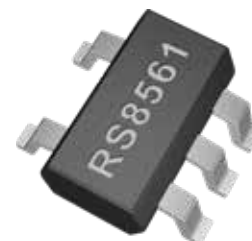

SPECIALTY COATING SYSTEMS

### PRECISION OPERATIONAL AMPLIFIER

NEV202010050

**Brand:** Runic  
**Model:** RS8561XF  
**Country of Origin:** China

- We offer the industry's broadest portfolio of precision op amps to fit a wide range of applications such as medical electronics, automotive electronics, industrial control.
- High quality, high performance and rich selection Point.

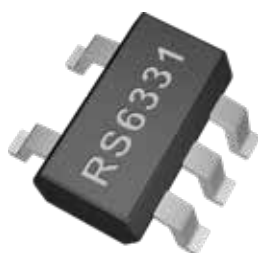

JIANGSU RUNIC TECHNOLOGY CO.,LTD

### LOW OFFSET OPERATIONAL AMPLIFIER

NEV202110051

**Brand:** Runic  
**Model:** RS6331XF  
**Country of Origin:** China

- We offer the industry's broadest portfolio of op amps to fit a wide range of applications such as medical electronics, automotive electronics, industrial control.
- High quality, high performance and rich selection Point.

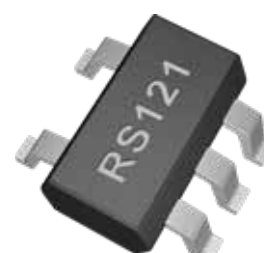

JIANGSU RUNIC TECHNOLOGY CO.,LTD

### GENERAL OPERATIONAL AMPLIFIER

NEV202110052

**Brand:** Runic  
**Model:** RS121XF  
**Country of Origin:** China

- We offer the industry's broadest portfolio of op amps to fit a wide range of applications such as medical electronics, automotive electronics, industrial control.
- High quality, high performance and rich selection Point.

JIANGSU RUNIC TECHNOLOGY CO.,LTD

### REFLOW SYSTEM

NEV202110053

**Brand:** HYRITE  
**Model:** EPS-12E30  
**Country of Origin:** China

- Slimline design, specially for application with narrow space, such as cove light, light box, channel letter....
- Fully sealed with plastic housing IP67.
- No grounding connection.
- Power supply for LED module, strip, perforating lamp, pixel lamp, light bar, light box, wall washer, panel light

MADE-IN-CHINA.COM

### PETS/KIDS MINI GPS TRACKER

NEV202110054

**Brand:** Shenzhen Yushengchang Technology Co., Ltd.  
**Model:** GPS+Agps+Lbs+WiFi  
**Country of Origin:** China

- Working time: 2-3 days; Memory: RAM 32MB + Memory 32MB
- Multi-language supported, Waterproof.
- Support 2G GSM network 800/850/1800/1900 MH
- Multiple tracking way, track by SMS, APP, and Website. App name for Android and IOS: Setracker or Setracker2

MADE-IN-CHINA.COM

### 12 FIBERS SC/UPC 9/125 SINGLE MODE BUNCH FIBER OPTIC/OPTICAL PIGTAIL

NEV202110055

**Brand:** OEM Shenzhen Hanxin Communication optical fiber cable Co., Ltd  
**Model:** SC/UPC  
**Country of Origin:** China

- The patch cord is made by 2.0mm or 3.0mm PVC sheath simplex or duplex indoor cable and then is completed with SC, ST, FC or LC, MPO, MTP connectors.
- It provides a stable and reliable connection both SM or MM and single or dual fiber. PC, UPC and APC is optional.
- Low insertion loss.
- High return loss and high stability and reliability.

MADE-IN-CHINA.COM

### STATIC ANTISTATIC ELIMINATOR ION IONIZING AIR BLOWER

NEV202110056

**Brand:** AP&T  
**Model:** AP-DJ2811  
**Country of Origin:** China

- Intelligent Control And Online Monitoring
- Auto Cleaning
- Adjustable Ion Balance
- Auto Balance

SHANGHAI ANPING STATIC TECHNOLOGY CO., LTD.

## ANTI-STATIC ANTISTATIC ANTI STATIC ION IONIZING ELIMINATING BAR

NEV202110057

Brand: AP&T  
Model: AP-AB1228  
Country of Origin: China

- High Efficiency Static Removal
- Stable Low Ion Balance
- Safe And Easy To Use
- Intelligent Control And Online
- Monitoring

SHANGHAI ANPING STATIC TECHNOLOGY CO., LTD.

## DE DUST ESD IONIZED IONIZING IONIZER AIR NOZZLE

NEV202110058

Model: AP-DC3203  
Country of Origin: China

- Small and light, comfortable to handle and flexible to operate
- Large amount of ion generation, high efficiency in removing static electricity and dust
- The high-pressure generating parts are completely enclosed and have good safety
- The high-voltage generating parts have adopted electromagnetic shielding measures

SHANGHAI ANPING STATIC TECHNOLOGY CO., LTD.

## PHIM ĐO LƯỜNG ÁP LỰC PRESCALE/ PHIM ĐO PHÂN BỐ NHIỆT THERMOSCALE/ PHIM ĐO PHÂN BỐ TIA UV- UVSCALE

NEV202110059

Brand: Fujifilm  
Model: HHS, HS, MS, MW, LW, LLW, LLLW, 4LW, 5LW.  
Country of Origin: Nhật Bản

- Prescale là loại phim được tạo ra bằng công nghệ phủ tiên tiến của Fujifilm, là phim duy nhất trên thế giới cho phép đo áp lực và phân bố áp lực.
- Vùng chịu áp lực sẽ biến thành màu đỏ tùy theo độ lớn của áp lực, từ đó có thể kiểm tra cường độ lực và cân bằng áp lực. Có 9 loại Prescale cho phép đo áp lực trong một dải rộng, từ rất nhỏ tới rất lớn.
- Prescale có những ứng dụng rộng rãi trong các ngành công nghiệp điện tử, đóng gói, chế tạo ô tô, thực phẩm-hóa mỹ phẩm.
- Fujifilm phát triển phim đo sự phân bố nhiệt Thermoscale và Phim đo sự phân bố tia UV- UVSCALE với nguyên lý hoạt động tương tự.

FUJIFILM VIETNAM CO., LTD

## ỐNG KÍNH QUANG HỌC

NEV202110060

Brand: Fujinon  
Country of Origin: Trung Quốc

- Hiệu suất quang học vượt trội với công nghệ độc quyền tiên tiến.
- Đa dạng ứng dụng với kích thước, hình dạng và vật liệu trong các lĩnh vực khác nhau từ trình chiếu không gian cho tới kiểm tra trong sản xuất và giám sát.
- Chúng tôi cung cấp ống kính công nghiệp, máy chiếu, ống kính cho CCTV...

FUJIFILM VIETNAM CO., LTD

## MÁY QUÉT ẢNH KỸ THUẬT SỐ

NEV202110061

Brand: Unicomp Technology  
Model: AX8200Max  
Country of Origin: China

- Hệ thống Xa hình Điện toán có khả năng đọc điểm ảnh với độ phân giải ảnh từ 25µm đến 100µm.
- Được sử dụng trong không gian làm việc nhỏ với thiết kế thao tác tháo lắp tấm nhận ảnh (Imaging Plate) nằm mặt trước máy quét ảnh.
- Hệ thống cắt tấm nhận ảnh IP đặc biệt cung cấp các tấm IP có hình dáng phù hợp với các đối tượng kiểm tra.

FUJIFILM VIETNAM CO., LTD

## CONSUMER FAN OF ALL TYPES

NEV202110062

Brand: BELCO  
Model: BF-401T/BF-402L /  
BF-403LC / BF-404D/ BF-406DR  
Country of Origin: VIETNAM

- Our Fan has various deluxe design (wall-mounted type; stand type...)
- Energy saving (5 star label)
- Longer life with powerful Motor using PERMAWICK'S lubricant

VIETTRONICS BIEN HOA JOINT STOCK COMPANY (BELCO)

## THERMAL MATERIALS

NEV202110063

Brand: Everwide  
Country of Origin: Taiwan

- Excellent thermal conductivity, adhesion, insulation, and low shrinkage ratio
- Outstanding thermal conductivity for long-term Usage

EVERWIDE CHEMICAL COMPANY

## EPOXY (ONE-COMPONENT AND TWO-COMPONENT)

NEV202110064

Brand: Everwide  
Country of Origin: Taiwan

- Excellent adhesion
- High temperature resistance and outstanding thermal shock resistance
- Suitable for many industry

EVERWIDE CHEMICAL COMPANY

### MODIFIED SILICONE

NEV202110065

**Brand:** Everwide  
**Country of Origin:** Taiwan

- High shear strength, multi-function, fast curing, and good Elasticity
- Plastic, metal, glass, and different substrates bonding
- Solvent free, low VOC
- Cured by moisture at room temperature

EVERWIDE CHEMICAL COMPANY

### PHOTO-CURING ADHESIVE (UV ADHESIVE)

NEV202010066

**Brand:** Everwide  
**Country of Origin:** Taiwan

- Excellent bonding strength and water resistance function
- Fast-curing
- Good transparent and anti-yellowing effect

EVERWIDE CHEMICAL COMPANY

### STRUCTURAL ACRYLIC ADHESIVE

NEV202110067

**Brand:** Everwide

- Multi-function
- High shear strength
- No surface pre-treatment
- Excellent adhesion on plastic materials

EVERWIDE CHEMICAL COMPANY

### SILICONE

NEV202110068

**Brand:** Everwide  
**Country of Origin:** Taiwan

- Excellent temperature resistance
- High transparent and low yellowing
- Low shrinkage
- Cured by moisture at room temperature

EVERWIDE CHEMICAL COMPANY

### ANTENNA(CHIP, NFC, PATCH, LCT/LDS TECHNOLOGY)

NEV202110069

**Brand:** INPAQ  
**Country of Origin:** Taiwan

- Automotive: Radio Frequency Identification, keyless, GPS
- Wearable: Near Field Communication, digital payment
- Smart Home: Bluetooth and WIFI module,
- Mobile: Qi Wireless Power Consortium, 5G

ABECO ELECTRONIC CO.LTD

### SAW/CRYSTAL OCSILLATORS

NEV202110070

**Brand:** Tai-saw  
**Country of Origin:** Taiwan

- Automotive Applications: GNSS ; GPS; SDARS;LTE/ BT/ BLE/ WiFi;CCD; TPMS..
- Commercial : BT;BLE;NFC; LoRa;WiFi ...
- Data Transmission: WiFi ; Ethernet; 4G LTE; 2.4GHz; 5GHz; LoRa; SigFox; NB-IoT
- Other: Medical; Security ; Healthcare ; Aerospace Defense....

ABECO ELECTRONIC CO.LTD

### FUSE

NEV202110071

**Brand:** Walter  
**Country of Origin:** China

- Computer Peripheral : power supplier ; Monitor; Keyboard; Speaker ; Mouser ...
- Home appliances: Telecom, TV ; Refrigerator; Juicer ; Thermos flask; Electric iron.....
- Other: Lighting System & IOT.....

ABECO ELECTRONIC CO.LTD

### PROTECTION COMPONENT (TVS, VARISTOR, BEAD, FILTER)

NEV202110072

**Brand:** INPAQ  
**Country of Origin:** Taiwan

- Full range of electrostatic/surge protection. (Suitablefor3C/automotive/industrial/medical industries)
- EMI EMC Solution. (we can provide whole range of Common-Mode Filter and Multilayer Chip Bead Series)
- We also can provide total services, including products and design simulation software to offer noise suppression solutions for a broad array of applications.
- A full range of static/surge/lightning protection components

ABECO ELECTRONIC CO.LTD

## 5832 BENCHTOP IONIZING BLOWER

NEV202110073

**Brand: Simco-ION**  
**Model: 5832**  
**Country of Origin: USA**

- Used for High Humidity ESD-sensitive areas
- $\pm 3V$  or better balance
- Cleanliness rated at ISO 14644 Class 4
- Auto-Clean System

CNS TECHNOLOGIES CO.,LTD

## CHARGEMASTER VCM

NEV202110074

**Brand: Simco-ION**  
**Model: Chargemaster VCM**  
**Country of Origin: USA**

- Run up to 4 charging bars or applicators
- Capable of voltage or current control mode operation
- Simplified programmable menu with status indicator
- Remote operation capability
- Short circuit protected output

CNS TECHNOLOGIES CO.,LTD

## IONMEN IM-10 MONITORING SYSTEM

NEV202110075

**Brand: IONMEN**  
**Model: IM09-FFX**  
**Country of Origin: Taiwan**

- On-line monitor for Tool Grounding & EMI & Background Noise Monitor and data collection.
- Relay Status Monitor - capable to monitor statuses of ionizers, humidity/temperature sensors, FMS.
- Product Voltage Monitor: capable to measure  $<50V$  at 5 inches distance, effective distance better than field meters.
- Ionizer Balance / Decay Time Monitor: monitor the performance of decay time and balance of ionizers at every 0.2 second, capable to adjust decay time interval of the monitoring system, fix cycle time, manual setup by users, or command from PLC during machine on time. Antenna is compact for installations at limit space in the machines.
- ESD Event Monitor: install antenna at critical area to monitor ESD events.

CNS TECHNOLOGIES CO.,LTD

## 422B-SILICONE MODIFIED CONFORMAL COATING

NEV202110076

**Brand: MG Chemicals**  
**Model: 422B**  
**Country of Origin\*: Canada**

- Certified UL 94V-0 (File# E203094)
- Maximum constant service temperature of  $200^{\circ}C$  [ $392^{\circ}F$ ]
- Fluoresces under UV-A light
- Validated for selective robotic coating equipment
- Excellent corrosion resistance - tested in salt spray environment with no oxidation or coating damage

CNS TECHNOLOGIES CO.,LTD

## IDEAL-TEK KCFR

NEV202110077

**Brand: Ideal-tek**  
**Model: KCFR**  
**Country of Origin: Switzerland**

- Durable and self-aligning replacement tips
- Anti-magnetic stainless steel handles
- Excellent for handling sensitive electronic components

CNS TECHNOLOGIES CO.,LTD

## MET ONE HHPC+

NEV202110078

**Brand: Beckman Coulter**  
**Model: MET ONE HHPC+**  
**Country of Origin: USA**

- Routine monitoring
- Cleanroom classification
- Visual particle trending
- Easy network connectivity

CNS TECHNOLOGIES CO.,LTD

## DUST-FREE CLOTHING DUST-FREE CLOTH

NEV202110079

- Dust-free cloth: mainly used for cleaning products in dust-free workshop
- Wipe paper: industrial wipe paper roll sheet loaded paper, air to clean oil absorption function
- ESD gloves: Double-sided stripe ESD gloves ESD dispensing gloves ESD PU gloves ESD dust-free gloves
- Antistatic clothing: antistatic dust-proof jumpsuit split jacket various styles

DONGGUAN LONGSHENGFA ANTISTATIC PRODUCTS CO., LTD

## ROCKER SWITCH

NEV202110080

**Brand: Merchant**  
**Model: SR-13**  
**Country of Origin: China**

- Full illumination options available
- Approved under the EN IEC 61058-1:2018 standard

FORTECH INDUSTRIAL LIMITED

### MICRO SWITCH

NEV202110081

**Brand:** Merchant  
**Model:** SM-33  
**Country of Origin:** China

- Small compact size
- Widely application in home appliances and auto-mobile control

FORTECH INDUSTRIAL LIMITED

### ROTARY SWITCH

NEV202010082

**Brand:** Merchant  
**Model:** ST-701  
**Country of Origin:** China

- Spindle up to 8 positions
- Approved under the EN IEC 61058-1:2018 standard

FORTECH INDUSTRIAL LIMITED

### RELAYS FOR SMART HOME

NEV202110083

**Brand:** Hongfa

- Lighting control
- Smart plug
- Curtain control
- Smart Security

HONGFA ELECTROACOUSTIC (HONGKONG) CO., LTD.

### RELAYS FOR INDUSTRIAL CONTROL

NEV202110084

- PLC&Control Panel Relays
- Intermediate Relays for machine tools, elevator and electrical cabinet
- Force Guided Relays for safety gate, elevator and injection molding machine

HONGFA ELECTROACOUSTIC (HONGKONG) CO., LTD.

### RELAYS FOR AUTOMOTIVE

NEV202110085

**Brand:** INPAQ  
**Country of Origin:** Taiwan

- Body and comfortable system
- Relay box\Fuse Box
- Battery Management System

HONGFA ELECTROACOUSTIC (HONGKONG) CO., LTD.

### MICRO SWITCH

NEV202110086

**Brand:** ZING EAR  
**Model:** G3  
**Country of Origin:** CHINA

- Water proof
- Small compact size
- Global safety approvals
- Long life and high Relability

HUIYANG ZING EAR INDUSTRY CO., LTD

### ROCKET SWITCH

NEV202110087

**Brand:** ZING EAR  
**Model:** KAB  
**Country of Origin:** CHINA

- Small compact size
- Global safety approvals
- Long life and high Relability

HUIYANG ZING EAR INDUSTRY CO., LTD

### SLIDE SWITCH

NEV202110088

**Brand:** ZING EAR  
**Model:** ZE-209  
**Country of Origin:** CHINA

- Small compact size
- Global safety approvals
- Long life and high Relability

HUIYANG ZING EAR INDUSTRY CO., LTD

## SEGMENT LCD MODULE

NEV202110089

Brand: JHDLCM

JHDLCM ELECTRONICS CO., LTD.

## TFT LCD MODULE

NEV202110090

Brand: JHDLCM

JHDLCM ELECTRONICS CO., LTD.

## MONOCHROME LCD MODULE

NEV202110091

Brand: JHDLCM

CNS TECHNOLOGIES CO.,LTD

## WIRE TO BOARD CONNECTORS

NEV202110092

Brand: Joint Tech Electronic Ind. Co., Ltd.

Model: A2001

Country of Origin: China

- Reliable contact
- Fully shrouded header
- Printed circuit board retention mechanism
- Surface mount model(SMD)

JOINT TECH ELECTRONIC IND. CO., LTD.

## WIRE TO BOARD CONNECTORS

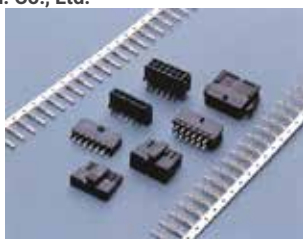

NEV202110093

Brand: Joint Tech Electronic Ind. Co., Ltd.

Model: C3030

Country of Origin: China

- SMD, press-fit or surface-mount compatible versions available
- High-temperature LCP headers
- Positive latching
- Fully isolated terminals

JOINT TECH ELECTRONIC IND. CO., LTD.

## FPC CONNECTORS

NEV202110094

Brand: Joint Tech Electronic Ind. Co., Ltd.

Model: F0500

Country of Origin: China

- Available in ZIF and Non-ZIF styles
- Requires no tooling
- Available in right-angle and vertical mounting orientations
- Right-angle version available with both of top and bottom contact

JOINT TECH ELECTRONIC IND. CO., LTD.

## MLCC (MULTI-LAYER CERAMIC CAPACITORS)

NEV202110095

LIPERS ENTERPRISE CO., LTD

## TANTALUM CAPACITOR, POLYMER TANTALUM CAPACITOR,

NEV202110096

Brand: AVX, KEMET

Country of Origin: USA, Japan

Application: Power, Set-Top Box  
General Purpose

LIPERS ENTERPRISE CO., LTD

### ELECTROLYTIC CAPACITOR

NEV202110097

**Brand:** RUBYCON, NIPPON CHEMI-CON, PANASONIC, AIC  
**Country of Origin:** Japan

Application: Power Supply, Motherboard, Video Card, Electrical Ballast, Uninterruptible Power Supply, Cloud System, Green Energy, IPC, Industrial Equipment, Ca Assembly

LIPERS ENTERPRISE CO., LTD

### FILM CAPACITOR

NEV202010098

**Brand:** RUBYCON, NIPPON CHEMI-CON, PANASONIC  
**Country of Origin:** Japan

Application: Power Supply, Motherboard, Video Card, Electrical Ballast, Uninterruptible Power Supply, Cloud System, Green Energy, IPC, Industrial Equipment, Car Assembly

LIPERS ENTERPRISE CO., LTD

### SUPER CAPACITOR (ELECTRIC DOUBLE LAYER CAPACITOR, EDLC)

NEV202110099

**Brand:** AVX

LIPERS ENTERPRISE CO., LTD

### SMD/LAMP LED, HIGH POWER LED, LOW POWER LED, PHOTO COUPLER, IR RECEIVER MODULE

NEV202110100

**Brand:** Everlight  
**Country of Origin:** Taiwan

Application: Lighting, Flash, PC, TV, Monitor, Signage, Home Appliance, Industrial Applications, Automotive

LIPERS ENTERPRISE CO., LTD

### CLEANING SWAB

NEV202110101

**Brand:** Miraclean  
**Model:** MFS-740  
**Country of Origin:** China

- Free from silicone, amide and phthalate esters
- Low in particles, ion content and non-volatile residue
- High solvent capacity, soft and non-abrasive
- Compatible with most common solvents such as IPA
- Designed with flexible head paddle & long compact handle

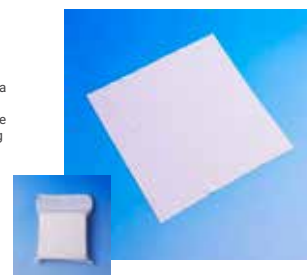

MIRACLEAN TECHNOLOGY CO., LTD.

### C1 SERIES: KNITTED POLYESTER WIPERS

NEV202110102

**Brand:** Miraclean  
**Model:** 1000B  
**Country of Origin:** China

- Wiper of 100% continuous-filament polyester in a double-knit interlock (stripe/grid):
- Stripe grain wiper is suitable for sensitive surface production, Grid grain wiper is suitable for wiping stubborn stains
- Thermally sealed (laser) edges for particle and fiber control
- Good absorbency, wiping efficiency and abrasion resistance
- Low ion and NVR residues
- Chemically compatible with IPA and other common solvents

MIRACLEAN TECHNOLOGY CO., LTD.

### INDUSTRIAL JUMBO WIPE ROLL

NEV202110103

**Brand:** Miraclean  
**Model:** MRW-W2538  
**Country of Origin:** China

- Industrial Jumbo wipe roll has unique physical properties
- High water absorption and good water retention
- Soft hand feeling, excellent drape, high toughness and elasticity

MIRACLEAN TECHNOLOGY CO., LTD.

### PCB ASSEMBLY (TURNKEY OR ASSEMBLY) USED FOR AUTOMOTIVE, MOBILEPHONE, PRINTER, HOME APPLIANCE,...

NEV202110104

Providing fast turnaround, flexible, high quality and cost effective

MANUTRONIC VIETNAM

## SMART TIVI WEBS VTB

NEV202110105

Brand: VTB  
Model: LV5588WS  
Country of Origin: Việt Nam

- Màn hình tràn viền
- Hệ điều hành Web OS
- Bluetooth 5.0 (Tivi có thể trở thành loa Bluetooth)
- App hệ thống IOT smart home

CÔNG TY CỔ PHẦN VIETTRONICS TÂN BÌNH

## MÁY VI TÍNH ĐỂ BÀN

NEV202110106

Brand: VTB  
Model: VP540U-M20  
Country of Origin: Việt Nam

- Ổn định, công nghệ CPU thế hệ mới
- An toàn thông tin
- Tích hợp khóa thông minh
- Tự cảnh báo hư hỏng

CÔNG TY CỔ PHẦN VIETTRONICS TÂN BÌNH

## TỦ LẠNH

NEV202110107

Brand: VTB  
Model: RZ186N  
Country of Origin: Việt Nam

- Công nghệ làm lạnh đa chiều
- Nano diệt khuẩn
- Không CFC
- Tiết kiệm điện

CÔNG TY CỔ PHẦN VIETTRONICS TÂN BÌNH

## POGO PIN CONNECTOR

NEV202110108

Brand: Zhenghe  
Country of Origin: China

- No mold opening, suitable for customization
- Save space and give designers more flexible configuration structure
- The elasticity can be accurately adjusted and adjusted
- Long lifecycle

DONGGUAN ZHENGHE PRECISION ELECTRONICS CO.,LTD.

## MAGNETIC CABLE

NEV202110109

Brand: Zhenghe  
Country of Origin: China

- 5A-10A design to withstand high current transmission;
- Anti-drop: The charging interface is easy to remove and it is not easy to drive the unit
- Waterproof design: The female end of the host can be dustproof and waterproof (IPX8)
- Customization: diversified shapes and styles to meet the shape matching of the mainframe products and enhance the product's selling point

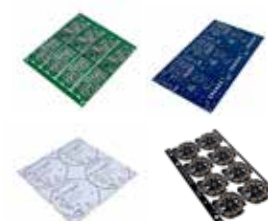

DONGGUAN ZHENGHE PRECISION ELECTRONICS CO.,LTD.

## PCBS (RIGID, SINGLE-SIDED, DOUBLE-SIDED, MULTILAYER)

NEV202110110

Country of Origin: China

- Good PCB quality
- Competitive price
- Supportive service
- Globalization

UNIWELL ELECTRONIC LTD.

## PLASMA SURFACE TREATMENT

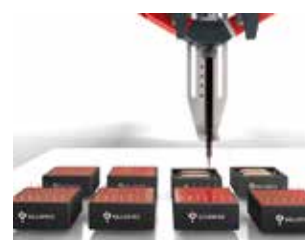

NEV202110111

CÔNG TY TNHH CÔNG NGHỆ PROS VIỆT NAM

## POTTING MATERIALS

NEV202110112

CÔNG TY TNHH CÔNG NGHỆ PROS VIỆT NAM

### OSP 1L CEM-1 CHARGING PCB

NEV202110113

**Brand:** inorsen  
**Model:** PCB  
**Country of Origin:** Vietnam

- Application: Charging
- Layercount: 1L
- Material: CEM-1
- Surface Finish: OSP
- Finished PCB Thickness: 0.8T
- Finished Copper Thickness: 35μm±2

INORSEN VINA CO., LTD

### OSP 2L FR-4 HOME NETWORK PCB

NEV202010114

**Brand:** inorsen  
**Model:** PCB  
**Country of Origin:** Vietnam

- Application: Home network
- Layercount: 2L
- Material: FR-4
- Surface Finish: OSP
- Finished PCB Thickness: 1.6T
- Finished Copper Thickness: 37μm±2
- Line width / line spacing: 0.23mm/0.16mm

INORSEN VINA CO., LTD

### HYBRID BOARD PCB

NEV202110115

**Brand:** inorsen  
**Model:** PCB  
**Country of Origin:** Vietnam

- Application: Tx/Rx Module
- Layercount: 4L
- Material: PTFE+FR-4
- Surface Finish: ENIG
- Finished PCB Thickness: 1.6mm
- Finished Copper Thickness: 35μm
- Remarks: Hybrid board

INORSEN VINA CO., LTD

### POLYESTER TAPES

NEV202110116

- High performance plastic films coated with acrylic or silicone adhesive meet a wide range of application needs.
- High temperature resistant and flame retardant.
- UL-certified and halogen free types are available.
- Suitable for insulating, wrapping in electric motors, transformers, electrical appliances, etc.

SYMBIO, INC.

### NMN SLOT INSULATION

NEV202110117

**Country of Origin:** Taiwan

- NMN Slot insulation is a composite material of DuPont™ Nomex® paper and polyester film.
- High temperature resistance up to 180.C
- Excellent thermal and electrical insulation, mechanical toughness, and stable properties.
- Used as slot insulation in electric motors, transformers, and electric machines.

SYMBIO, INC.

### POLYIMIDE TAPES

NEV202110118

- Extremely durable and reliable polyimide film coated with silicone adhesive offers strong adhesion.
- UL certified. Flame retardant and halogen-free.
- High temperature resistance up to 200 , able to be removed without residue.
- Suitable for using under high temperature conditions such as electrical insulating in transformer or wiring harness.

SYMBIO, INC.

### INDUSTRIAL JUMBO WIPE ROLL

NEV202110119

- Different backing materials and adhesives are combined for several applications, offering various thickness, adhesion, temperature resistance for selection.
- Thermal conductive series are available, ideal for using in components which need heat dissipation.
- UL certified products are available.
- Suitable for both general or industrial purpose uses.

SYMBIO, INC.

### POLYIMIDE TAPES

NEV202110120

- Special backing materials are available for selection such as epoxy film, PTFE, Nomex® paper, glass cloth and acetate cloth, which have reliable and durable insulating performances.
- High temperature resistance ranges from 130 to 200
- Excellent thermal and electrical insulation, adhesion, and toughness.
- Suitable for high temperature protecting or insulating purposes.

SYMBIO, INC.

## DIGITAL DOOR CLOCK

NEV202110121

Specialized for buildings, offices, high-class apartments, factories, company, villa, private house. It is an indispensable system of modern and comfortable works. Luxury design, modern, SLIM style. High quality, solid, safe products

- Code lock and contactless card
- Unlock with fingerprint, password, contactless MF card and mechanical key
- Register 100 RF cards, 100 fingerprints
- Reading time: less than 1 second
- Material: zinc alloy
- Touch screen easy to use
- Warning when entering wrong password or unregistered card
- Built-in burglar alarm sensor, fire alarm, anti-electric shock
- Color: silver, gold, copper
- Use DC 6V power, 4 AA batteries

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## SATELLITE RECEIVER TC-677

NEV202110122

CHARACTERISTICS - Size 130 x 90 x 33mm and modern luxury design- 3 buttons on the front panel: 1 power button, 2 buttons: channel up and down- There are 7-segment LEDs displaying 4 numbers: convenient for users and installation technicians- Using an external source to ensure electrical safety for users- Suitable for use with many TVs on the market- Flame retardant plastic shell, sturdy, durable- User-friendly Vietnamese interface

### SPECIFICATIONS :

- CPU: MSTAR MSD7S01.
- 64MB DDR2 RAM - Flash Memory: 4MB.
- Chipset Tuner: RDA5815M.
- Input frequency: 950~2150 MHZ.
- Demodulation: QPSK, 16QAM, 64QAM, 256QAM.
- USB function allows reading image, music, video files from USB.
- Function to record the program being watched to USB.
- Vivid, clear HD images.
- Easy-to-use Vietnamese interface.
- Reasonable price

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## INTERNET TV RECEIVER TC-121

NEV202110123

### CHARACTERISTICS

- 1GB Ram capacity and 8GB Flash memory capacity allowing users to freely install a lot of applications, download videos and music as they like.
- Automatic update OTA function from the TCTEK server through the network internet brings great convenience to customers.
- Genuine parts Ram and Flash from world famous brands like Samsung, Hynix, Micron, Toshiba for maximum performance and power consumption contribute at least to increase product life and maximize benefits for customers.
- Equipped with SV6051P Wifi module to help connect to the internet quickly and stable, ensuring movie enjoyment and multimedia entertainment uninterrupted.
- Remote is integrated with key learning function to help users The application easily turns on and off the TV without switching to the TV's Remote.
- Vietnamese interface is friendly to Vietnamese people, convenient for installation and use.
- Compact size 90 x 90 x 16mm, elegant and sophisticated design language

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## GROUND RECEIVER HD TC-377 T2 HD

NEV202110124

CHARACTERISTICS - Size 260 x 180 x 45mm and modern luxury design- 7 buttons on the front panel: 1 direct power button, 6 buttons: channel up and down, sound up and down, Item and Select- There are 7-segment LEDs displaying 4 numbers: convenient for users and installation technicians- Stainless iron shell, good heat dissipation to increase the life of the device- Using internal source should be good heat dissipation in continuous working conditions- Suitable for indoor and outdoor antennas- User-friendly Vietnamese interface.

### SPECIFICATIONS:

- DVB-T2 standard compatible
- CPU: MSTAR MSD7T01.
- 64MB DDR2 RAM - Flash Memory: 4MB.
- Demodulator : integrated in MSD7T01 chipset
- Input frequency: 174-230MHz, 470-862MHz.
- MPEG - 4AVC/H.264HP@L4 video codec
- Front panel USB 2.0 support
- Vivid, clear HD images.
- Reasonable price

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## TRACKING DEVICE TCTRACK\_99HQ

NEV202110125

CHARACTERISTICS: Driver card & Driver card reader- Locate via GPS signal- Store information during driving (speed, position, time ...) - Speeding alert, driver's driving time and record- Direct printing function on the device Report the number of times of stopping, turning off the machine, opening and closing the door- Capture and forward route images to the server- Direct connection to driver management with standard RFID card reader of the Ministry of Transport- Emergency button to report a problem to Connect fuel sensor and report in real time\*

### SPECIFICATIONS

- Working voltage level: DC 12~36V
- Normal working current: <60mA
- Storage temperature: -40 to +85
- Working temperature: -20 to +70
- Allowed speed: 0-255 km/h
- Speed error: Maximum 0.5km/h
- Position error: In the range of 3 ~ 10m
- Actual size: 135mm x 100mm x 25mm
- Data storage: Data in the device is stored at least 1 month.

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## SMART DOOR LOCK

NEV202110126

KYRA contactless touch card lock uses radio wave technology with Mifare card's encrypted frequency. Using high-end NXP processor chip combined with NFC Mifare card standard provides high security for data to avoid detection and unlocking of cards, so security and safety features are very high, enhancing automation. management, check-in/out process, minimizing operating costs and losses for hotels and resorts. Easy to maintain, maintain and change according to customers' wishes

T.C ELECTRONICS SOLUTION VIETNAM CO., LTD

## CLEANING EQUIPMENT: STRONG TYPE OF DRY ICE SNOW CLEANING DEVICE

NEV202110127

Brand: Air Water Inc Model: SCS-M-A  
Country of Origin: Japan

This is a cleaning device with Dry Ice gained from Liquefied CO2(Carbon Dioxide).

"Quick Snow", Dry Ice Snow Cleaning Device from AIR WATER INC at present, is used for mainly precision cleaning. Strong Type of Dry Ice Snow Cleaning Device has been developed as a more general cleaning method with strong impact of Dry Ice Snow.

User can use it like an air-gun with strong cleaning effects on various manufacturing processes and/or maintenances for equipment.

Main targets are Metal/Resin manufacturing and cleaning of printing machine parts including "Printed Electronics".

AIR WATER VIET NAM

## CLEANING EQUIPMENT: SUPER HARD NOZZLE TYPE (AUTO TYPE)

NEV202110128

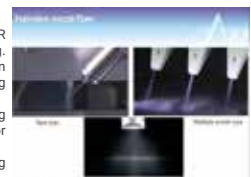

Brand: Air Water Inc Model: QS-ESSOH  
Country of Origin: Japan

This is a cleaning device with Dry Ice gained from Liquefied CO2(Carbon Dioxide).

"Quick Snow", Dry Ice Snow Cleaning Device from AIR WATER INC at present, is used for mainly precision cleaning. Strong Type of Dry Ice Snow Cleaning Device has been developed as a more general cleaning method with strong impacts of Dry Ice Snow.

This device has new nozzles with stronger cleaning effects on various manufacturing processes and/or maintenances.

Main targets are Metal/Resin manufacturing and cleaning of printing machine parts including "Printed Electronics".

AIR WATER VIET NAM

### HALOGEN-FREE SOLDER PASTE

NEV202110129

Brand: Dyfenco Model: E9650-QT685  
Country of Origin: Taiwan

- Low Voiding
- High reliability with automotive industry field, providing consistent stencil life, tack time and print definition. The remains are rare and transparent on the surface after reflow
- Excellent solderability, not easy to produce solder balls after reflow
- Excellent mechanical strength characteristics of solder joints.

DYFENCO INTERNATIONAL CO., LTD

### SOLDER WIRE FOR ROBOTIC AUTOMOTIVE PRODUCTION LINE APPLICATION

NEV202010130

Brand: Merchant Model: HF Series  
Country of Origin: China

- It provides consistent workability performance for both robotic and manual soldering in the electronics industry, with performance equivalent to conventional halogen/halide-based systems.
- No clean, halogen free solder wire compliance in meet with RoHS environment regulation
- There is no irritating smell, less smoke, and less splash during soldering.
- After soldering, the SIR is high, and the electrical properties are stable and reliable.

DYFENCO INTERNATIONAL CO., LTD

### NO-CLEAN FLUX

NEV202110131

Brand: Dyfenco Model: K8418A  
Country of Origin: Taiwan

- Excellent soldering ability and low defect rate.
- Ultra-low residue.
- Long term electrical reliability corresponds to JIS standard.

DYFENCO INTERNATIONAL CO., LTD

### STORAGE EQUIPMENT FOR ELECTRIC VEHICLE

NEV202110132

Brand: IBE Model: IBE-01  
Country of Origin: CHINA

- Storage equipment for Electric vehicle
- Control the speed of power storage and discharge battery safety performance management system

IBE ELECTRONICS CO., LTD.

### COMMUNICATION HEADSET FOR AEROSPACE PRODUCTS

NEV202110133

Brand: IBE Model: IBE-02  
Country of Origin: CHINA

- High precision PCB assembly
- It can communicate with the loud noise of the aerospace. Application areas: aerospace etc

IBE ELECTRONICS CO., LTD.

### AUTOMOTIVE

NEV202110134

Our automotive electronics include lighting, connections, parking, moving trailers, rear boards of trucks...Car chargers, DC / DC converters and inverters for control engines, millimeter-wave radar

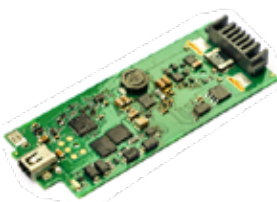

IBE ELECTRONICS CO., LTD.

### BATTERY & POWER MANAGEMENT EQUIPMENT & BATTERY STORAGE SYSTEM

NEV202110135

Brand: ZING EAR  
Model: KAB  
Country of Origin: CHINA

Energy storage systems are applied to utility, commercial and industrial, as well as microgrid applications. BPC acquisition voltage and temperature, one battery pack one (23:1 or 14:1), mainly control charge, battery safety data collection, alarm, collection of entire equipment related current voltage, battery protection pack

IBE ELECTRONICS CO., LTD.

### INDUSTRIAL IOT CLOUD SERVICES

NEV202110136

Brand: Toshiba Digital Solution Corporation  
Country of Origin: Japan

- OperateX for Factory Monitoring & Predictive Maintenance (Manufacturer)
- RemoteX for Remote Monitoring & Service Transformation (Equipment Maker)
- ManufactX for Operation Analysis with Traceability & 5M1E
- Digital Twin on Cloud for Business KPI Analysis & Report

TOSHIBA DIGITAL SOLUTIONS CORPORATION

## CYBER SECURITY SOLUTION

NEV202110137

**Brand:** Toshiba Digital Solution Corporation  
**Country of Origin:** Japan

- Cythemis for secure end-to-end connection & data transmission
- CyberX platform for absolute security management & visualization
- WaterFall Unidirectional Security Gateway for manufacturing environment
- Superior CyberSecurity configuration by Japanese Industry Leader

TOSHIBA DIGITAL SOLUTIONS CORPORATION

## AI VISUAL INSPECTION PACKAGE

NEV202110138

**Brand:** Toshiba Digital Solution Corporation  
**Country of Origin:** Japan

- Machine Vision for Inspection
- AI for image processing during inspection
- Continuous improvement for inspection using image processing
- Effortless Installation and Implementation

TOSHIBA DIGITAL SOLUTIONS CORPORATION

## HIGH SPEED AUTOMATIC TAPE AND REEL MACHINE

NEV202110139

**Brand:** JDL  
**Model:** AM-DPCB-20  
**Country of Origin:** China

- High speed and fully automatic
- High precision and good stability
- High-end imported part and PLC
- Customized

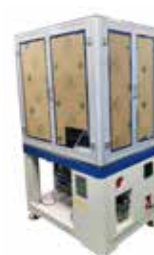

JINDONGLI INTELLIGENT TECHNOLOGY (SZ) CO., LTD

## AUTOMATIC COIL WINDING AND WELDING MACHINE

NEV202110140

**Brand:** JDL  
**Model:** AM-TRX-10  
**Country of Origin:** China

- Modular design with strong versatility, easy and fast to change model
- High stability and production capacity
- Can be customized
- High-end imported spare parts

JINDONGLI INTELLIGENT TECHNOLOGY (SZ) CO., LTD

## AUTOMATIC COMMON MODE INDUCTOR ASSEMBLY MACHINE

NEV202110141

**Brand:** JDL  
**Model:** AM-GMZZ-10  
**Country of Origin:** China

- High versatility
- Easy and convenient to operate
- Direct drive motor driven with precise segmentation and positioning
- Reasonable structure and high efficiency

JINDONGLI INTELLIGENT TECHNOLOGY (SZ) CO., LTD

## DACROMET

NEV202110142

**Brand:** Zinc Flake Coating

- Bảo vệ chống ăn mòn theo công nghệ mới
- Tính chịu nhiệt cao
- Được ứng dụng trong các ngành công nghiệp: oto, điện và điện tử, kiến trúc xây dựng, công nghiệp nặng...

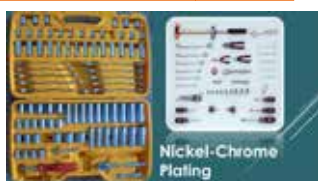

THANH LUAN PRODUCTION & TRADE COMPANY LIMITED

## ELECTROPLATING: TIN PLATING, SILVER PLATING, NICKEL PLATING, NICKEL-CHROME PLATING, COPPER PLATING, ZINC PLATING..

NEV202110143

**Brand:** Electroplating

- Bảo vệ chống ăn mòn theo công nghệ mới
- Tính chịu nhiệt cao
- Được ứng dụng trong các ngành công nghiệp: oto, điện và điện tử, kiến trúc xây dựng, công nghiệp nặng...

THANH LUAN PRODUCTION & TRADE COMPANY LIMITED

## BLACK OXIDE STEEL, MANGAN-PHOTPHAT

NEV202110144

**Brand:** Surface treatment

- Tăng tính thẩm mỹ
- Chống oxy hóa
- Tăng tính năng kỹ thuật: thẩm dầu, ma sát...

THANH LUAN PRODUCTION & TRADE COMPANY LIMITED

### ERP SOFTWARE

NEV202110145

**Brand:** Seagull  
**Country of Origin:** India

- Cloud-based software - hence can be accessed from anywhere; One Time cost - no yearly or monthly costs.
- Unlimited Number of Users - Client can allow as many users as possible, from his company
- Multi-company and Multi-locations. Can be used for upto 5 companies in group, and can cover users from different locations.
- Includes all Functions of a business - Sales, Purchase, Quality, Warehouse/Store, Manufacturing, Accounts, HR

VASUDHA IT SOLUTIONS PVT. LTD.

### HRMS & PAYROLL PROCESSING SOFTWARE

NEV202010146

**Brand:** Seagull  
**Model:** Seagull-Payroll  
**Country of Origin:** India

- Cloud based, Unlimited number of users and one time cost.
- Covers all functions of HR Department, like leaves, salaries, attendance, employee history, visitors Management, employee grievances redressal, salary sheets and salary slips etc.
- Employee attendance either manually, or through biometric machines

VASUDHA IT SOLUTIONS PVT. LTD.

### INVENTORY AND ASSETS MANAGEMENT SOFTWARE

NEV202110147

**Brand:** Seagull  
**Model:** Seagull-Inventory  
**Country of Origin:** India

- Cloud-based, unlimited No. of users and one time cost.
- Complete stock management with min-max level alerts
- Assets records and management including AMC, Insurance records, user location etc.

VASUDHA IT SOLUTIONS PVT. LTD.

### FULLY AUTOMATIC ONLINE X-RAY SUBSTRATE INSPECTION DEVICE

NEV202110148

**Brand:** ELT  
**Model:** MFX600LP  
**Country of Origin:** China

- Features: Modular design / strong scalability / automatic loading and unloading / automatic intelligent detection
- Function: Used in the detection of BGA/CSP, insert components, SOP/QFP, transistors, CHIP components, bottom electrode components, QFN, power modules,

Shenzhen ELT TECHNOLOGY CO.,LTD

### X-RAY INTELLIGENT POINTER

NEV202110149

**Brand:** ELT  
**Model:** DL1000  
**Country of Origin:** China

- Features: AI algorithm / real-time data docking / 7-17 inch material tray or 7 inch 4 trays can be ordered
- Function: Used for quick counting of reel materials used in the production of SMT industry

Shenzhen ELT TECHNOLOGY CO.,LTD

### AUTOMOTIVE

NEV202110150

**Brand:** ELT  
**Model:** HT300L  
**Country of Origin:** China

- Features: Large detection area/high magnification/high resolution capability, minimum 2um defects can be detected

Function: Used for the detection of LED chips, LED internal bonding wires, LED crystal wires, IC packages, rectifier bridges, resistors, capacitor connectors, etc.

Shenzhen ELT TECHNOLOGY CO.,LTD

### ELECTRONIC MANUFACTURING INSPECTION X-RAY

NEV202110151

**Brand:** ELT  
**Model:** HT300  
**Country of Origin:** China

Function: Used for BGA, CSP, Flip Chip inspection, PCB board welding condition, short circuit, open circuit, cavity inspection LED, IC package inspection, capacitance, resistance and other components inspection, internal flaw detection of some metal devices, lithium batteries, electric heating tubes, precision Flaw detection structure of the device.

Shenzhen ELT TECHNOLOGY CO.,LTD

### ONLINE POINTER X-RAY

NEV202110152

**Brand:** ELT  
**Country of Origin:** China

**Model:** ADL100

Function: The main processes of the online ordering machine X-RAY include automatic feeding, X-RAY photographing, automatic calculation results, printing results, automatic labeling, and automatic blanking. Material types include all resistance-capacitance materials and IC materials.

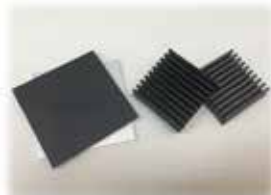

Shenzhen ELT TECHNOLOGY CO.,LTD

## THERMAL MODULE

NEV202110153

Brand: Arlitech  
Country of Origin: China/Taiwan

- Conductive plastic
- Aluminum Extruded Heat Sink
- Graphene Spray Product
- High Thermal Conductivity Die-Casting Products

ARLITECH ELECTRONIC CORP.

## POWER INDUCTORS

NEV202110154

Brand: Arlitech  
Country of Origin: China

- High Current Power Inductors
- SMD Power Inductors
- DIP & RF Power Inductors
- EMI Suppression Filter

ARLITECH ELECTRONIC CORP.

## MCU

NEV202110155

Brand: Artery  
Country of Origin: China

- AT32F403A/ AT32F403
- AT32F407
- AT32F413/ AT32F415
- AT32F421

ARLITECH ELECTRONIC CORP.

## ELECTRO-STATIC DISCHARGE

NEV202110156

Brand: Bencent Electronics  
Country of Origin: China

- ESD
- Zener
- GDT
- TSS/TVS

ARLITECH ELECTRONIC CORP.

## DRAM

NEV202110157

Brand: Integrated Silicon Solution  
Country of Origin: China

- DDR4/DDR3/DDR2 SDRAM
- Asynchronous SRAM / CellularRAM/Pseudo SRAM
- Serial NOR Flash/Security Flash

ARLITECH ELECTRONIC CORP.

## PANASONIC SM EQUIPMENT (SCREEN PRINTER AND MOUNTER)

NEV202110158

Brand: Panasonic  
Model: SPG2; NPM/VM Series  
Country of Origin: Japan

Panasonic is a leader in SMT market. The most famous machine is NPM series. NPM, which has excellent versatility and expandability as well as quality and productivity, is highly rated by many users all over the world.

Panasonic là một trong những thương hiệu hàng đầu trong thị trường SMT, với dòng máy gắn linh kiện mới nhất NPM, bằng sự linh hoạt cũng như tốc độ, chất lượng cao luôn được các nhà máy trên khắp thế giới tin tưởng sử dụng.

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

## KEYSIGHT ICT, FCT SYSTEMS

NEV202110159

Brand: KEYSIGHT  
Country of Origin: America

Keysight delivers advanced design and validation solutions that help accelerate innovation to connect and secure the world. Keysight's dedication to speed and precision extends to software-driven insights and analytics that bring tomorrow's technology products to market faster across the development lifecycle, in design simulation, prototype validation, automated software testing, manufacturing analysis and network performance optimization and visibility in enterprise, service provider and cloud environments. Our customers span the worldwide communications and industrial ecosystems, aerospace and defense, automotive, energy, semiconductor and general electronics markets. Keysight generated revenues of \$4.2B in fiscal year 2020. For more information about Keysight Technologies (NYSE: KEYS), visit us at [www.keysight.com](http://www.keysight.com).

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

## NORDSON TEST & INSPECTION

NEV202110160

Brand: NORDSON DAGE; NORDSON ASSURE  
Country of Origin: Germany

- Dage Manual X-Ray Inspection System
- Matrix Automatic Inspection System
- Assure X-Ray Component Counting System

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### NORDSON ELECTRONICS SOLUTIONS

NEV202110161

**Brand:** NORDSON ASYMTEK;  
**NORDSON SELECT**  
**Country of Origin:** Germany

- Nordson ASYMTEK is a world leader in precision automated fluid dispensing, jetting and conformal coating
- Nordson SELECT...The Selective Soldering

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### AUROTEK PCB SEPERATOR

NEV202010162

**Brand:** AUROTEK  
**Country of Origin:** TAIWAN

1. Patented "INDEPENDENT TWO-SPINDLE CIRCUIT BOARD CUTTING EQUIPMENT"
2. Patented "MEASURE AND CALIBRATION SYSTEM FOR CUTTING"
3. GigE vision type CCD, visual scan for PC board
4. Upper dust collector concentrate at cutting area keeps dust away during cutting,

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### NEOTEL SMART LOGISTICS SOLUTION

NEV202110163

**Brand:** NEOTEL  
**Country of Origin:** China

SMART MATERIAL MANAGEMENT;  
SOLDERING AND ASSEMBLY;  
MACHINE VISION; BIG DATA

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### DJK TECHNICAL CENTER & SERVICE ENGINEER

NEV202110164

**Country of Origin:** Vietnam

DJK Vietnam's technical center was opened in November 2020 in Hanoi with main purposes of:

- Preliminary tour and evaluation.
- Post-purchase Operating / Maintenance training (Production equipment cannot be stopped).
- Prepare various seminar courses. Please use here for your company's employee education.

We will create a better environment for your company while expanding the functions!

DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### LINEAR MOTOR ROBOT

NEV202110165

**Brand:** TOYO ROBOT **Model:** LGW Series  
**Country of Origin:** Taiwan

- The LGW2 series products adopt for high-accuracy Built-in linear guide rail design with the brand new self-developed linear motor.

- The self-developed linear motor increases more than 20% of available payload under the same structure size, with a maximum 4G Acc/Dec speed and 4000mm/s speed which massively reduces the cycle time and increases production efficiency to satisfy the market request.

- LGW2 series can match market requests with high quality, high repeatability, and high payload feature, which is an unignorable linear motor product.

TOYO AUTOMATION CO.,LTD

### AUTOMOTIVE

NEV202110166

**Brand:** TOYO ROBOT  
**Model:** CHY Series  
**Country of Origin:** Taiwan

- The setting of two sets of simple rotary switches on the clamping jaws can easily complete the setting of clamping force, speed and station number.

- CHY long-stroke electric gripper was in the research and development stage due to the large stroke and large gripping force in the current market.

TOYO AUTOMATION CO.,LTD

### ELECTRONIC MANUFACTURING INSPECTION X-RAY

NEV202110167

**Brand:** TOYO ROBOT **Model:** LGF Series  
**Country of Origin:** Taiwan

We adopt an exclusive patented, highly precise built-in ballscrew actuator design to the mechanical device, which greatly reduces the body size and the volume of the equipment as well. 32% smaller than our competitors' products, our iron core flat type linear motor module is the smallest in the world.

TOYO AUTOMATION CO.,LTD

### BUILT-IN GUIDEWAY SERVO CYLINDER

NEV202110168

**Brand:** TOYO ROBOT **Model:** CGTH / CGTY Series  
**Country of Origin:** Taiwan

- CGTH / CGTY includes stepper servo motor in Taiwan' first, save customers assembled motor time.the controller in CGTH/CGTY robot is the TC-100, the control mode includes pulse (Pulse) control, I / O control, communication control, the industry's first control of the 3-in-1 system.

- After slide into the body, and then to the processing machine for grinding, the body travel 800mm parallelism and yawing can be within  $\pm 0.02\text{mm}$

TOYO AUTOMATION CO.,LTD

## MICRO PRECISION ELECTRONIC CYLINDER

NEV202110169

**Brand:** TOYO ROBOT **Model:** CSG Series  
**Country of Origin:** Taiwan

- CSG cylinder guiderail is treated with special grinding and hardening technology for better movement, straightness and rigidity.
- TOYO's CGS micro precision electric cylinder has the 2 main features, volume reduction and rigidity strengthening. The iron metal used in our CGS is harder than normal aluminum, which can remain the same rigidity with a smaller volume.
- The complete electromechanical integration capability makes the production line more flexible and improves what traditional pneumatic cylinders cannot do.

TOYO AUTOMATION CO.,LTD

## DESKTOP ROBOTS

NEV202110170

**Brand:** TOYO ROBOT **Model:** JTHC Series  
**Country of Origin:** Taiwan

- Desktop robot can reach 850mm/sec high speed.
- It can also be combined with professional development - TOYO FSE software for being as a dispenser to make the dispensing function more abundant.
- The built-in CAD path switch function can make the teaching faster. With the CCD and LASER, the XYZ coordinates can be corrected, and the path can be continuously compensated.

TOYO AUTOMATION CO.,LTD

## 797PCP PROGRESSIVE CAVITY PUMPS

NEV202110171

**Brand:** Nordson EFD  
**Country of Origin:** USA

Nordson EFD's 797PCP Series pumps dispense an exact volume of fluid as small as 0.01 mL per revolution for manufacturing applications that require a high level of process control. Highly precise fluid volume accuracy and repeatability at +/- 1% gives you assurance that the volume you need to dispense is applied within the tolerance you need, every time. The pump's modular design is based on the progressive cavity principle where its core components – a rotor and a stator – form a perfectly sealed metering chamber. Its continuous seal prevents shear, pulsation, and squeezing of fluid. This makes the 797PCP system ideal for dispensing abrasive pastes, filled materials, and UV-cure adhesives.

NORDSON ADVANCED TECHNOLOGY PTE LTD

## PICO XP JETTING SYSTEM

NEV202110172

**Brand:** Nordson EFD  
**Country of Origin:** USA

- XP self-regulating calibration for improved valve-to-valve dispensing repeatability and repeatability after maintenance
- XP self-regulating calibration for improved Sustained stroke target seeking for maintaining dispensing repeatability regardless of environmental conditions
- XP self-regulating calibration for improved Micron (µm) level stroke adjustment for fine-tuning jetting performance for a wide range of applications

NORDSON ADVANCED TECHNOLOGY PTE LTD

## ULTIMUSPLUS DISPENSERS

NEV202110173

**Brand:** Nordson EFD  
**Country of Origin:** USA

- + Industry-leading intuitive touchscreen interface, in multiple languages
- + Electronic pressure regulation with full operator lockout
- + Optional barcode scanner
- + MultiShot™ capability

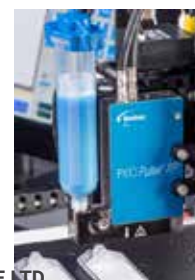

NORDSON ADVANCED TECHNOLOGY PTE LTD

## OPTIMUM® CLASS VI SYRINGE BARRELS AND DISPENSING COMPONENTS

NEV202110174

**Brand:** Nordson EFD  
**Country of Origin:** USA

- Enhanced biocompatibility for medical use
- Ease of process validation for regulatory approvals
- Market-leading traceability for documentation requirements
- Certified safe for industrial use and manufactured in silicone-free facilities in the USA

NORDSON ADVANCED TECHNOLOGY PTE LTD

## COORDINATE MEASURING MACHINE

NEV202110175

**Brand:** Crysta Apex V Series  
**Model:** CRT AV9106  
**Country of Origin:** Japan

- The CRYSTA-Apex V Series is a new generation CNC coordinate measuring machine that helps make the smart factory – a factory that leverages IoT for the advanced management of production and quality information – a reality
- A maximum permissible length measurement error of 1.7 µm guaranteeing high-accuracy measurements of the most intricate workpieces; and enhanced repeatability.

MITUTOYO VIETNAM CO.,LTD

## SHOP FLOOR TYPE CNC CMM

NEV202110176

**Brand:** MiSTAR **Model:** MiSTAR 555  
**Country of Origin:** Japan

- MiSTAR 555 is a highly environment-resistant Coordinate Measuring Machine, allowing on-site inspection outside the measuring room.
- Shop-floor specification
- Widespread temperature range: 10°C 40°C
- No Air needed. Smart measurement with one power supply
- Easy measurement with touch panel
- General purpose Fixture with positioning mechanism.
- Support for Smart Factory: Operation status control, CMM condition control, SPC

MITUTOYO VIETNAM CO.,LTD

### CNC VISION MEASURING SYSTEM

NEV202110177

**Brand:** QV Apex Pro  
**Country of Origin:** Japan

**Model:** QV-X302P1L-E

- QV Apex Pro is a CNC Vision Measuring System. This is a superior model of QUICK VISION, which is equipped with the StrobeSnap function as standard, enabling high-speed measurement.
- New design, color, and CBL
- Image auto focus speed has been improved by about 30% compared with conventional models.
- Measuring time can be shortened by about 35 to 45% for most measurement samples
- The Point From Focus (PFF) function enables the 3D measurement with multi cross-section images.

MITUTOYO VIETNAM CO.,LTD

### VISION MEASURING MACHINE WITH MICRO-FORM SCANNING PROBE

NEV202010178

**Brand:** MiSCAN Vision System  
**Model:** FTA-S4D4000-D  
**Country of Origin:** Japan

- MiSCAN Vision System is a vision measuring machine with micro-form scanning probe.
- Newly developed MPP-NANO probe on which styli as small as 125 µm diameter can be mounted achieves autonomous scanning of fine detail.
- Using the observation camera, the approach to the workpiece can be easily performed while also checking for dirt and scratches on the workpiece.
- The highly proven SP25M scanning probe is also supported so the system can also be used for large workpieces as well as small.

MITUTOYO VIETNAM CO.,LTD

### VERTICAL PROFILE PROJECTOR WITH WHITE LED LIGHT SOURCE

NEV202110179

**Brand:** PJ-PLUS  
**Model:** PJ-P2010A (OVERSEAS)  
**Country of Origin:** Japan

- PJ-PLUS is the profile projector that "can be operated intuitively" even by inexperienced people. It has excellent durability and energy saving performance thanks to adoption of an "LED illumination source" and "fan-less cooling system". It provides stable dimension and angle measurements in harsher environments, such as manufacturing and processing lines, than can be handled by conventional models.

MITUTOYO VIETNAM CO.,LTD

### HYBRID MEASURING MACHINE FOR SURFACE ROUGHNESS AND CONTOUR MEASUREMENT

NEV202110180

**Brand:** FORMTRACER AVANT  
**Model:** FTA-S4D4000-D  
**Country of Origin:** Japan

- FORMTRACER AVANT Series is a Contour and Surface Roughness Measuring Systems. Just by integrating a detector with a base system comprising FTA-S4C3000/4000 (contour instrument) and FTA-S4S3000 (surface roughness tester), it is possible to upgrade a contour instrument or surface roughness tester to a complex system, from a general-purpose contour instrument to a high-precision contour instrument.

MITUTOYO VIETNAM CO.,LTD

### LINEAR GAGE

NEV202110181

**Brand:** LG100 Series

- Linear Gage LG100 Series is an environment-resistant digital gage. It can be used in-line or in measurement rooms.
- Precision and accuracy demanded by the automated assembly and inspection markets, are guaranteed.
- Sliding durability of more than 50 million times\*, with protection level of IP67G. Highly oil-resistant material is used in the rubber cap and cable sheath, so it can be used even in harsh environments.
- Reference point signal output functions are featured throughout this series. When incorporating into a device, the master setting value is easy to set and is retained after shutdown.

MITUTOYO VIETNAM CO.,LTD

### BOARD HANDLING EQUIPEMENT

NEV202110182

**Brand:** hayawin  
**Country of Origin:** China

- Good Functional
- High Quality
- Competitive Price
- Reliable Service

HAYAWIN ELECTRONIC TECHNOLOGY CO., LTD.

### WITH MORE THAN 500000 KINDS OF PRODUCTS AND 10 MILLION INVENTORY

NEV202110183

NOVA TECHNOLOGY(HK)CO.,LTD

### 24 HOURS ONLINE FOR AFTER-SALES SERVICE , UP TO 365 DAYS WARRANTY PERIOD

NEV202110184

NOVA TECHNOLOGY(HK)CO.,LTD

**NEW AND ORIGINAL ,  
PROVIDES ONE-STOP  
BOM/PCB/PCBA/SMT SERVICE**

**NEV202110185**

**NOVA TECHNOLOGY(HK)CO.,LTD**

**PIEZOELECTRIC ELEMENT**

**NEV202110186**

· Model: Sounder, buzzer, sensor, tranformer.

· Components for Sounder, buzzer, sensor, tranformer, actuator...

**HANEL PRODUCTION AND IMPORT – EXPORT JOINT STOCK COMPANY**

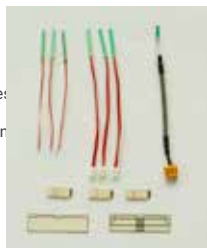

**ASSEMBLY PRINTED  
CIRCUIT (PCBA)**

**NEV202110187**

Model: PCBA Panel, PCBA Sensor

- Circuit boards for printers and electronic devices
- PCB Panel, PCB Sensor... using in printer machine

**HANEL PRODUCTION AND IMPORT – EXPORT JOINT STOCK COMPANY**

**XH9531D FOUR AXIS DOUBLE  
POSITION TIN WELDING ROBOT**

**NEV202110188**

- Drag welding, spot welding, diagonal welding
- Double position welding, improve efficiency
- 200W high power temperature control
- Accurate tin delivery

**CHANGZHOU BRODER ROBOT TECHNOLOGY CO., LTD**

**ULTIMUSPLUS  
DISPENSERS**

**NEV202110189**

- Closed-loop control power supply
- Micropressure nose
- CCD intelligent motion platform
- For motor enameled wire, microspeaker welding

**CHANGZHOU BRODER ROBOT TECHNOLOGY CO., LTD**

**DJ8331S VISUAL  
DISPENSING ROBOT**

**NEV202110190**

- CCD vision technology
- 3D dispensing
- High speed and low noise

**CHANGZHOU BRODER ROBOT TECHNOLOGY CO., LTD**

**PCBA ROUTING MACHINE**

**NEV202110191**

**Brand: MARTINTRIER**  
**Country of Origin: CHINA**

**Model: MT2000/MT3000**

- Solution for Low-Stress Automated Depaneling System
- Advanced Image-Processing Software Offers Point-and-Click Operation for Programming Routing Paths.
- Extended Routing tools life
- A quick and easy method to learn and use

**MARTINTRIER PTE LTD**

**LASER MARKING  
MACHINE**

**NEV202110192**

**Brand: MARTINTRIER** **Model: MAG30**  
**Country of Origin: CHINA**

- MAG Laser marking machine widely use on PCB/Plastic/Metal surface for 2d code/character/logo marking
- Auto flipping for PCBA double side marking and MES support if customer request.
- CO2/UV/Fiber etc laser source can working on different material surface properly
- Inline/offline/rotation work table/tabletop etc mode for you choosing

**MARTINTRIER PTE LTD**

### LASER CUTTING MACHINE

NEV202110193

**Brand:** MARTINTRIER **Model:** MicroCut 1000/MicroCut 1200  
**Country of Origin:** CHINA

- Flexible cutting method for thin material such as FPC/Coverlay/film etc.
- No tooling cost/easy change model/very fine cutting space
- Inline/offline mode for you choosing
- Thus obtaining 3D shape data.

MARTINTRIER PTE LTD

### ONLINE MEASUREMENT – MONITORING – MANAGEMENT SYSTEM FOR TRANSFORMER SUBSTATION AND LOW VOLTAGE GRID: S3M - SGMV

NEV202010194

**Brand:** SES **Model:** S3M-SGMV  
**Country of Origin:** Việt Nam

- Chức năng: Đo lường, giám sát, quản lý trạm biến áp (máy biến áp và tủ điện phân phối hạ thế) online từ xa
- Phát hiện sớm các cảnh báo bất thường, giảm thiểu rủi ro, báo cáo dữ liệu realtime, số hóa dữ liệu trạm biến áp
- Tạo bản đồ số quản lý nhiều trạm biến áp tập trung trên cùng 1 phần mềm
- Tương thích với mọi máy biến áp và tủ phân phối trên thị trường, dễ lắp đặt, tích hợp và nâng cấp

SES SMART GRID ELECTRIC SOLUTION COMPANY LIMITED

### POWER MANAGEMENT SYSTEM : S3M – SEMS-L (HỆ THỐNG QUẢN LÝ NĂNG LƯỢNG PMS S3M-SEMS-L)

NEV202110195

**Model:** S3M-SEMS-L  
**Country of Origin:** Việt Nam

- Chức năng: Đo lường các thông số điện năng, giám sát, thu thập dữ liệu và quản lý điện năng, phục vụ công tác vận hành trong các nhà máy, tòa nhà, khu công nghiệp
- Tự động thu thập dữ liệu theo thời gian thực, phát hiện và cảnh báo các sự cố, hệ thống báo cáo toàn diện/khoa học, phù hợp với mọi hãng multimeter khác nhau, phần mềm thân thiện, dễ sử dụng
- Tiết giảm nhân lực vận hành, tiết kiệm thời gian, chi phí vận hành, tìm kiếm cơ sở để tiết kiệm điện năng, nâng cao năng lực quản lý năng lượng
- Đáp ứng cho tiêu chuẩn Quản lý năng lượng ISO5000, chỉ phí đầu tư hợp lý, hỗ trợ bảo hành dài hạn

SES SMART GRID ELECTRIC SOLUTION COMPANY LIMITED

### SMART ENERGY MANAGEMENT SYSTEM FOR PV SYSTEM: SEMS-PV (HỆ THỐNG GIÁM SÁT, CHẨN ĐOÁN, DỰ BÁO & ĐIỀU KHIỂN CHO CÁC HỆ THỐNG ĐIỆN MẶT TRỜI SEMS-PV)

NEV202110196

**Brand:** SES **Model:** SEMS-PV  
**Country of Origin:** Việt Nam

- Là hệ thống Giám sát, chẩn đoán, dự báo và điều khiển cho các hệ thống điện mặt trời (Điện mặt trời áp mái, nhà máy điện mặt trời)
- Hệ thống SEMS-PV là công cụ thông minh, tối ưu phục vụ cho chủ đầu tư, hỗ trợ người quản lý và đội ngũ kỹ sư vận hành trong các nhà máy điện mặt trời
- Các chức năng của giải pháp: Giám sát, Cảnh báo, Chẩn đoán, Điều khiển công suất phát, Dự báo công suất
- Phù hợp với nhà máy điện mặt trời, các dự án điện mặt trời áp mái công suất vừa và lớn

SES SMART GRID ELECTRIC SOLUTION COMPANY LIMITED

### DECAL/ STICKER

NEV202110197

**Country of Origin:** Viet Nam

- In ấn trên mọi chất liệu decal : giấy, pvc, pp...
- In UV, Ép nhũ nổi 3D,
- Độ bền màu cao
- Có dạng tờ và dạng cuộn

MINH MAN PRINTING CO., LTD

### MEMBRAND PLATE

NEV202110198

**Country of Origin:** Viet Nam

- In ấn trên chất liệu PET, PC, APET,... dán trên các bảng mạch hay mặt hiển thị của các loại máy hoặc thiết bị điện tử gia dụng.
- Hiện thị đèn và nút nhấn với độ bền cao, keo 2 mặt SOKEN – Nhật, Hiệu ứng chống giả 3D
- Nguyên liệu và mực in đạt chuẩn môi trường ROHS

MINH MAN PRINTING CO., LTD

### ADVERTISING

NEV202110199

**Country of Origin:** Viet Nam

- Tấm trang trí quảng cáo cho các mặt hàng gia dụng điện tử
- Nguyên liệu từ các loại màng cao cấp PC, PET,... hiệu ứng in mirror cao cấp,

MINH MAN PRINTING CO., LTD

### LED CHIP PRODUCTION LINE

NEV202110200

- The Automatic LED chip production line with an estimated output of 150 million chips/year, full of equipment and machinery from Germany, ensuring dust control in clean rooms according to CLASS - 100,000 standard:
- Gilting machine: 2 robotic arms, working with a capacity of 90,000 points/ hour
- Wire welding machine: Welding wire is made of gold, with a very small diameter
- Storage cabinet: to store and adjust temperature and humidity according to regulations 24/7.
- Dust room: to ensure that dust is properly removed according to the standards

DIEN QUANG LAMP JOINT STOCK COMPANY

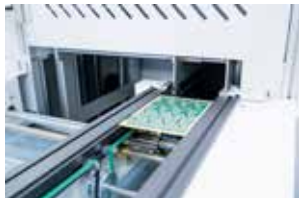

### ELECTRONIC CIRCUIT BOARD PRODUCTION LINE

NEV202110201

In the production line of electronic boards, Dien Quang is fully equipped with all kinds of production support machines to ensure output quality such as:

- A thickness tester
- A component gluing machine with 2 robotic arms, each of which has 16 suction heads, gluing speed of 86,000 chips/ hour. This gluing machine can glue from the smallest components with size 0.2-0.1 to components up to 1.2m in length.
- A drying oven
- A JTA machine used to check accuracy and completeness of all components on each board.
- An X - RAY machine to check welds at glue points that cannot be seen by a naked eye.

DIEN QUANG LAMP JOINT STOCK COMPANY

### OUTPUT QUALITY CHECKING SYSTEM

NEV202110202

Eliminating products that fail to guarantee output quality, Dien Quang products always ensure the best quality and strictly follow the process. Our products always meet certain expectations and satisfaction when they come to customers. In addition, the features of the APC self-adjusting system among machines in the line and automatically correcting the positions of gluing/ incorrect lead printing optimize the process of gluing components, capable of creating complex electronic boards with high component density.

DIEN QUANG LAMP JOINT STOCK COMPANY

### APC SELF-ADJUSTING SYSTEM

NEV202110203

The APC self-adjusting system among machines in the line automatically corrects the positions of gluing/ incorrect lead printing, optimizes the process of gluing components, and is capable of creating complex electronic boards with high component density.

DIEN QUANG LAMP JOINT STOCK COMPANY

### EMC SYSTEM & GONIOPHOTOMETER ROOM

NEV202110204

Dien Quang is the only unit in the lighting industry in Vietnam to invest in this equipment, making a great contribution to the community of Lighting Engineers and Lighting Experts. The test results of Dien Quang have the equivalent reference values in accordance with international standards IEC and CISPR (International Special Committee on Radio Interference). Our qualified factory and products meet the international standard with different certification IEC-EMC, ISO 9001-2015, ISO 14001-2015, ISO 13485- 2016; IATF 16949- 2021; CE, UL, etc. catering for both domestic and export markets

DIEN QUANG LAMP JOINT STOCK COMPANY

### LIGHTING & PLASTIC PRODUCTS

NEV202110205

DIEN QUANG LAMP JOINT STOCK COMPANY

### OEM QUALIFIED PCB PCBA ONE-SIDE/MULTI-LAYER

NEV202110206

Dien Quang's factory system has a large scale, modern equipment and high-quality human resources to meet strict standard requirements of its partners. Besides, its logistics system has an area of up to more than 13,000m2 over more than 10 provinces/ cities in Vietnam, along with a system of more than 30 transport trucks with a total tonnage up to 424 tons to ensure delivery schedule and time.

### HUST VIETNAM TECHNICAL EQUIPMENT JSC

#### COMPANY PROFILE

HUST Vietnam Technical Equipment Joint Stock Company (HUST Vietnam JSC) has a mission to be the Supplier of scientific, testing & measuring equipment, package solutions for production and product quality control in the fields of electricity - electronics, motor vehicles, energy, metallurgy, ...

Starting modestly in a small office in Linh Dam Urban Area, by the beginning of 2021 HUST Vietnam has grown strongly with a modern office of nearly 300m<sup>2</sup> at two head of the economic city of Vietnam - Hanoi Capital and Ho Chi Minh City.

Our main customers are: VinFast, Schaeffler, Hyosung, Datalogic, Jabil, GoerTek, Luxshare, Lens, Kolen, LG Electronics, Hanwha, ...

We are the official distributor of many world famous brands such as DELO Industrial Adhesives, QATM, VISION TEC, GNR, THIRD DIMENSION, SENTEK DYNAMICS, 4D Inspect, Galdabini, ...

#### PRODUCTS AND SERVICE

- DELO Industrial Adhesives
- Environmental Test Chamber
- Universal testing machine
- Analytical Equipment
- Precision Measuring Machines
- Reliability Testing Machines
- Samples Preparing Machines

### VIETNAM TABUCHI ELECTRIC CO.,LTD

#### COMPANY PROFILE

Vietnam Tabuchi Electric Co.,Ltd. is a group company of Tabuchi Electric Co.,Ltd., which has a 90-year history in transformer production. We design according to customer's requirements. Our monthly production quantity is 4 million units selling in Vietnam and exporting to Japan, China, Southeast Asia, Europe and hother countries. Our transformers have a wide range of application in consumer products and industrial equipment, and comply with various safety standards.

#### PRODUCTS AND SERVICE

1. Switching Trans
2. Current Trans
3. Edgewise Choke Coil
4. Choke Coil
5. Various xEV Trans

## **FINE CHEMICAL MANUFACTURING CO.,LTD (GUANGZHOU)**

### **COMPANY PROFILE**

GUANGZHOU FINE CHEMICAL MANUFACTURING CO.,LTD is a respectable manufacturer Specialized in Researching, Producing, Exporting Adhesive tapes for over 15 years to European and US Market. We are the first company in China successfully entering USA market and last till now with positive feedbacks. Our Tapes Quality Reaches Rohs Directive, SGS Certified, AAMA. For more information about Double-sided tapes, please visit: [www.finechemfr.com](http://www.finechemfr.com)

### **PRODUCTS AND SERVICE**

China Manufacturer, Guangzhou Factory, Adhesive tapes, Electronic Tapes, Electronic Masking Tapes, Double-sided tapes, Double-sided PET film Tapes, Silicone tapes, Single sided polyester silicone tape, Double sided foam tape, Mounting tape, Polyimide tape, Double-sided Tissue tape, Masking tape for powder coating, High-temperature resistance tape.

CHIP SHINE

### CHIP SHINE ELECTRONICS TECHNOLOGY CO.,LTD

#### COMPANY PROFILE

Chip Shine Electronics Technology Co., Ltd. was founded in 2002, as one of the high-tech enterprises located in Shanghai, it is specialized in probe research and development, design, production.

CHIPSHINE has a professional sales engineers and service team. Our factory is Located in Taicang City, Jiangsu Province, which covers an area of more than 3,000 square meters and has more than 40 experienced project, technical and engineering personnel. In addition, we also have professors from top universities and research institutes in Japan, the United States, Europe and China as our technical consultant.

The factory is equipped with world-class probe production equipment, including more than 60 CNC equipment and 3 automatic assembly equipment, with an annual output of 40 million probes. Our main products include conventional ICT probes, semiconductor test probes, high current probes, high frequency test needles and cables, and related test modules.

Over the past ten years, the company has inherited and developed the exquisite Italian probe production technology, gradually formed its own core technology and production management system,

obtained a number of invention patents, and passed the ISO9001:2000 quality management system certification in 2017. With high quality products and good reputation in the industry has achieved a good reputation, cooperation with more than 300 customers, among which the sales of the world top 500 customers accounted for 50%.

CHIPSHINE is committed to the global market expansion, has set up branches in the United States and Malaysia, in the layout of the formation of Asia as the center, to the Americas and Europe radiation development strategy, products sold all over the world.

In the continuous development and expansion, the company attaches great importance to the cultivation of talents and career development, the implementation of effective employee incentive measures, year by year to improve the salary and welfare of employees, so that employees and the enterprise to share the value.

#### PRODUCTS AND SERVICE

Our main products include conventional ICT probes, semiconductor test probes, high current probes, high frequency test needles and cables, and related test modules.

## **ARMOR ASIA**

### **IMAGING SUPPLIES PTE LTD**

#### **COMPANY PROFILE**

A armor is an international French industrial company, one of the leaders in ink chemistry and print consumables, whose ICP division designs and manufacturers ink consumables for Thermal Transfer Ribbon printer: is the most widespread technology for printing barcodes, logo, expiry dates and batch number on labels or directly on flexible packaging.

A armor has introduced inkanto, a new identity for Thermal Transfer activities. The new brand therefore complies with unparalleled range of new services organised on 4 corner stones: Quality, Security, Simplicity and Longevity.

Each inkanto ribbon is back by lifetime guarantee to protect the end-user against manufacturing defect: a real commitment to quality to all inkanto users. Furthermore, as an end user you can easily find out the origin and quality specific information to get complete confidence. Each box of inkanto delivered with a complete and unique Certificate of Conformity to provide all traceability and quality date to the end users by accessing a QR code on the label.

Each inkanto ribbon printing is widely used by many industrial from PCB, electronics components, automotive, logistics, industrial machinery, Chemical, Aerospace etc for product identification and traceability of products throughout their life-cycle.

And this data is essential in order to identify a product, to ensure its traceability throughout the lifecycle and to provide all important information for end users. Inkanto is able to offer solutions to print high quality images in the most demanding of industrial application including high durability at extreme temperatures or resistant to solvents.

#### **PRODUCTS AND SERVICE**

A armor manufacture and supply Thermal Transfer Ribbon for barcode and print-on-packing printer.

Variety colours available.

Our partners in the region can provide you a complete solution from Thermal transfer printer,

Scanner, label to complete with our inkanto lifetime guarantee ribbons for your printing requirement.

## APPS-CONNECT PTE LTD

### COMPANY PROFILE

Apps-Connect offers niche solutions to a diverse market segment such as military, cybersecurity industrial, medical and consumer and supplying to renowned global players in the various market segment. Helping customers to stay relevant in the IoT arena and keeping up with the emergence of disruptive technologies.

### PRODUCTS AND SERVICE

Synqor - [www.synqor.com](http://www.synqor.com) - Power Systems & Modules

HID - [www.hidglobal.com](http://www.hidglobal.com) - Card Reader Module & Finger Print Reader

Swissbit - Leading Manufacturer of Flash Storage & Security Solutions

Exxelia - High Reliability Capacitors, Magnetics, Resistors, Filters, Position Sensors, Slip Rings

Kyocera - Industrial Grade LCDs & Touch Panels

J&D - Wide range of Current Transformers, Rogowski Coil, Power Quality Meter

Silergy - Highly Integrated Electricity Metering & Energy Measurement Chipset

Innophase - Ultra Low Power WiFi/BLE SOC

OnChip - Global Leader In Integrated Passive Devices

Holystone – Wide Range & Highly Reliable MLCC Manufacturer

## EDACPOWER ELECTRONICS PTE LTD

### COMPANY PROFILE

EP-POWER have the expertise to design and deliver a solution to meet your power requirements. The manufacturing know-how to meet your quality requirement and the professional team to support your business needs.

With total commitment to ensure best quality along with our well-known philosophy of "Customer First", we strive to provide our customers with first class products and services, and to expand our presents in the market.

### PRODUCTS AND SERVICE

Power Supply: DC Adapter / AC-DC Switching / DC-DC Modules / High Voltage

Programmable Power Supply: AC-DC / AC-AC / DC Load / AC Load / Regenerative

Semiconductor Power Solution: RF Match / Plasma Generator / DC Power / DC Pulse / SCR

Controller

EMI: DC Filter / AC Filter / Harmonics Filter

Thermal Processing Solutions: Pyrometers, Thermal Imagers & Systems, Calibration Sources, Fiber Optic Temperature Sensors

ESD Protection Products

**USAID**  
FROM THE AMERICAN PEOPLE

## USAID LINKAGES FOR SMALL AND MEDIUM ENTERPRISES (LINKSME) PROJECT

### COMPANY PROFILE

Funded by the United States Agency for International Development (USAID), the USAID Linkages for Small and Medium Enterprises (LinkSME) project focuses on enhancing the business enabling environment and creating opportunities for small and medium enterprises in Vietnam. The \$24.9 million project runs from September 2018 to September 2023.

Working closely with the Office of the Government and other government agencies, USAID LinkSME enhances the business enabling environment by:

Measurably reducing the compliance costs of business by promoting institutional reform, and streamlining regulations and administrative procedures;

Improving government-to-business interactions by supporting, among other things, the modernization and digitalization of government one-stop shop service centers.

Working closely with the Ministry of Planning and Investment, business associations, and public or private business development organizations (BSOs), USAID LinkSME facilitates opportunities for Vietnamese SMEs by:

Building their capacity to meet the exacting demands of lead firms;

Facilitating the establishment of longer-term supply relationships between Vietnamese SMEs and lead firms;

Helping Vietnamese SMEs recover from the economic effects of the COVID-19 pandemic by, among other things, accelerating their digital transformation, facilitating access to finance, and supporting debt restructuring efforts;

Enhancing the capacity of BSOs to provide many of the above services on a longer-term, sustainable basis.

### PRODUCTS AND SERVICE

USAID LinkSME is facilitating business linkages between Vietnamese SMEs and lead firms working in the electronic, metal, textile/garment, agro-processing, wood product, or plastic product sectors (preferred sectors).

# COGNEX

## COGNEX VIETNAM CO., LTD

### COMPANY PROFILE

Cognex Corporation designs, develops, manufactures, and markets a range of products that incorporate sophisticated machine vision technology that gives them the ability to “see.” Cognex products include barcode readers, machine vision sensors, and machine vision systems that are used in factories, warehouses, and distribution centers around the world to guide, gauge, inspect, identify, and assure the quality of items during the manufacturing and distribution process. Cognex is the world’s leader in the machine vision industry, having shipped more than 1 million vision-based products, representing over \$4 billion in cumulative revenue, since the company’s founding in 1981. Headquartered in Natick, Massachusetts, USA, Cognex has regional offices and distributors located throughout the Americas, Europe, and Asia. For details visit Cognex online at [www.cognex.com](http://www.cognex.com).

### PRODUCTS AND SERVICE

Barcode Readers, Machine Vision Systems, Vision Software

## HIBEX SINGAPORE PTE LTD

### COMPANY PROFILE

#### TOTAL SOLUTION PROVIDER

Hibex with its headquarters based in Singapore has its presence spread out across Asia to cater customers. Hibex has leveraged Asia pacific connections to cater and support customer’s needs. Hibex had grown from simple distributor for electronic consumables to a Total Solution Provider supplying a wide range of machineries and materials to the PCB, Semiconductor, SMT, Robotics and many more. We have our subsidiaries across Asia Pacific with the sole intention of supporting our customer with the best possible services.

Hiroji Iba established the company in 1988 with base in Singapore. Since that time Hibex has been constantly expanding and modernized, always remaining on top of state-of-the-art facility.

### PRODUCTS AND SERVICE

Assembly tool: provide solution of assembly relate tightening, automatic, manual with HIOS product.

SMT Facility: Provide solution of robot industrial with Janome robot. Tightening, de-paneling, soldering, dispensing...

PCB: we provide material for PCB making, cleaning material, chemical, exposure

Semiconductor: we provide material of semiconductor industrial, Tape, mounter...

## HOLY STONE HOLDINGS (S) PTE LTD

### COMPANY PROFILE

Holystone had earned its reputation as an innovative leader in the design and manufacture of quality Multilayer Ceramic Capacitors.

Holystone was founded in 1981, headquartered in Taipei, is listed in the Taiwan Stock Exchange, with factories in Taiwan,

With the support of an advanced materials laboratory in Japan, Holystone produces a broad line of standard, application specified and specialized products.

Our modern factories utilize the latest state of the art equipment and technology. The factories are certified ISO-14000, ISO-9001 and QS9000. Automotive grade certified for AECQ2000, IATF16949

Safety certified with UL1414, UL/TUV safety certification. Holystone had earned its reputation as an innovative leader in the design and manufacture of quality Multilayer Ceramic Capacitors.

Holystone was founded in 1981, headquartered in Taipei, is listed in the Taiwan Stock Exchange, with factories in Taiwan,

With the support of an advanced materials laboratory in Japan, Holystone produces a broad line of standard, application specified and specialized products.

Our modern factories utilize the latest state of the art equipment and technology. The factories are certified ISO-14000, ISO-9001 and QS9000. Automotive grade certified for AECQ2000, IATF16949

Safety certified with UL1414, UL/TUV safety certification.

### PRODUCTS AND SERVICE

Multilayer ceramic capacitors consist of :

- 1) High Voltage
- 2) High cap value
- 3) Low DC Bias capacitors
- 4) High frequency lighting ballast
- 5) Auto grade MLCC
- 6) Stacked capacitors
- 7) Flexible termination –Patented Key technology
- 8) Surface Coating - Patented Key technology

## KURTZ ERSKA

## VIETNAMCOMPANY LIMITED

### COMPANY PROFILE

It's 100 year from inventing the first electrical heated soldering iron in 1921 to now being the world's largest manufacturer of soldering systems, Erska ensures worldwide perfect connections in electronic manufacturing, and is responsible as system supplier for trouble-free production processes of its customers.

The essential elements of the Erska DNA are customer-oriented action, profound process knowledge and experience, a calculable cost-benefit ratio, maximum flexibility and worldwide presence. Starting from this, we develop high performance products and systems at the highest level of quality and with long life expectancy, which is why we use only the best components available on the market. For us, this is the basis for our technology and market leadership in all areas of soldering.

Kurtz Erska Vietnam is in sales and technical support service of Kurtz Erska Group, established in 2018 with the mission of providing technical support and electronics soldering solutions to Erska customers and electronics manufacturers in Vietnam. We have a showroom in HoChiMinh city open for all requirements of machine test, product test run, training, rework...where customer can fully experience Erska process of reflow ovens, wave soldering, selective soldering and rework stations, hand soldering tools ...

### PRODUCTS AND SERVICE

- Erska hand soldering and soldering tools & accessories
- Erska rework and inspection system
- Erska Stencil printer
- Erska Reflow soldering system
- Erska Wave soldering system
- Erska Selective soldering system
- Erska trainings - Professional and efficient machine system

SPECIALTY COATING SYSTEMS™

A KISCO Company

## SPECIALTY COATING SYSTEMS

### COMPANY PROFILE

SCS is a leader in Parylene and liquid conformal coating services and technologies with 50 years of experience and 20 locations around the world, including 7 in Asia, 4 in Europe and 9 in the Americas. SCS provides multiple industry-leading coating solutions, including Parylenes, Acrylics, Urethanes, Epoxies, Silicones and more.

### PRODUCTS AND SERVICE

SCS conformal coatings offer excellent moisture, chemical and dielectric barrier properties to a host of electronic components, including sensors, MEMS, circuit boards and more. Designed to protect components that operate in harsh environments, Parylene HT® is thermally stable (up to 350°C long-term) and UV stable. SCS' newest coating, halogen-free ParyFree®, offers the same benefits as the traditional Parylenes but with improved barrier properties over traditional non-halogen variants.

## SUNEAST INTELLIGENT EQUIPMENT TECHNOLOGY (SHENZHEN) CO.,LTD

### COMPANY PROFILE

Founded in Hong Kong in 1984, Suneast technology established its industrial park in Shenzhen in 1999 and listed on the main board of Hong Kong stock exchange in 2000 (Stock Code: 0365. HK), which is the core enterprise under Sino ICT Holdings Limited.

With modern industrial parks and advanced R&D facilities, Suneast technology has strong system integration capabilities in R&D, design, production, automation and information equipment manufacturing. Its sales network is all over the world. Suneast technology has been achieved technical strategic cooperation with Tsinghua University, Chinese University of Hong Kong, Hong Kong University of Science and Technology and Harbin Institute of Technology, and its R&D capabilities has reached the advanced level at home and abroad.

In the core area of Guangdong-Hong Kong-Macao Greater Bay Area, Suneast technology has served semiconductor back-end application customers for more than 36 years, its downstream and end customers include Huawei, ZTE, LONGCHEER, DBG, TCL, Hikvision, MLS LIGHTING, DESAYSV AUTOMOTIVE, SHENZHEN MTC, JFLED, etc. The self-developed selective soldering head has twice the service life of other companies in the same trade; Suneast SMT module continuously improves the flexibility of modules assembly of production line; the dual drive gantry synchronous follow linear motor technology has been successfully applied to a number of high-speed and

high-precision equipment manufacturing and processing fields, which gains great praise by users. The new semiconductor packaging equipment is another masterpiece of Suneast technology, which helps the development of domestic chip industry. Today, Suneast technology has become the leader of China's intelligent equipment industry.

As the core enterprise of Sino ICT Holdings, Suneast technology will strengthen the strategic goal of the group and become a world-class enterprise in the field of high technology.

### PRODUCTS AND SERVICE

SMT total solution, selective soldering, wave soldering, reflow oven, screen printer, dispenser, vertical oven, on-line tunnel oven, drying oven

Unicomp Technology

## **SHENZHEN UNICOMP TECHNOLOGY CO., LTD**

### **COMPANY PROFILE**

Unicomp Technology was incorporated in 2002. It is a national level high-tech enterprise which involved in the R&D and manufacturing of X-ray technology and intelligent detection equipment. Unicomp has become the leading enterprise in domestic X-ray industry. This technology is widely applied in Public Security, Lithium battery, EMS, IC, Semiconductor, Solar Photovoltaic, LED, Connector, Automotive Parts, Wheel, Tires, Pressure vessel industry etc.

Today, Unicomp Technology has three R&D /Manufacturing sites exceeding 50,000m<sup>2</sup> respectively located at Wuxi/Jiangsu Province, Shenzhen/Guangdong Province, and Chongqing. Our sales and service centers are located all across China including Beijing, Shenyang, Tianjin, Xi'an, Qingdao, Wuhan, Chengdu, Ningbo, Xiamen and etc. The company has also penetrated into the international market with sales and service support in USA, Canada, Mexico,

Brazil, Germany, United Kingdom, France, Italy, Spain, Australia, Hungary, Romania, Russia, Poland, Uzbekistan, South Africa, Morocco, Tunisia, Turkey, UAE, India, Singapore, Malaysia, Thailand, Vietnam, Philippines, Taiwan, Hong Kong.. This international connection has helped Unicomp to be recognized as a Global Force in today's X-ray industry. Today "UNICOMP" is a hallmark brand in the industry both at home and abroad

### **PRODUCTS AND SERVICE**

X-ray inspection Machine, Stencil Cleaner, SMD X-ray Chip Counter

## TRUNG NAM ELECTRONICS MANUFACTURING SERVICES

### COMPANY PROFILE

Trung Nam Electronics Manufacturing Services is a leading company in the field of design, manufacture, test, distribute, and provide services for electronic components and assemblies for original equipment manufacturers in Central Vietnam.

### PRODUCTS AND SERVICE

- Design
- Assembling and processing circuit boards
- Testing
- Processing electrical wires and cables
- Mechanical assembly, full box build
- Repair

## EVERWIDE CHEMICAL COMPANY

### COMPANY PROFILE

Everwide Chemical Company began operations in 2000. With the company's continuous growth and the new product development, the annual growth rate is more than 10%. "Research, innovation, dedication, value" is the highest quality policy of Everwide. We build documents, production equipments, maintain an excellent management system, and continuously improve efficiency. We keep developing our company to reach the international standard such as ISO9001, ISO14001, OHSAS18001, IATF16949, and others, you can entrust Everwide can give you the best solution for your application.

### PRODUCTS AND SERVICE

The early products mainly in have mainly been focusing on photo-curing adhesives and epoxy resin (one component & two component) to join the adhesive applications market and create a new product line of Modified Silicone and Silicone. We have the strongest sales and R&D team to solve your problem.

## **JIANGSU RUNIC TECHNOLOGY CO.,LTD**

### **COMPANY PROFILE**

Jiangsu Runic Technology Co., Ltd. is a high-tech semiconductor enterprise focusing on the research, development and sale of high-performance and high-quality analog / mixed signal integrated circuits. At present, it has completed the chip design and development of many categories.

Our main products included precision operational amplifiers, high-speed operational amplifiers, general operational amplifiers, low-noise operational amplifiers, micro power operational amplifiers, micro power comparators, analog switches, power management, data converters, level switch, voltage reference source etc., which are widely used in various fields, such as industrial control, medical equipment, security monitoring equipment, instruments, automotive electronics, smart home and consumer electronics etc.

Our headquarter is at Wuxi City, Jiangsu Province, rooted in China, serving the world. Relying on Wuxi's good integrated circuit industry environment, integrating upstream and downstream resources. Our company committed to R & D and design of IOT sensor, medical electronics, industrial electronics and consumer electronics, and has successfully launched hundreds of products.

Runic has set up sales and technical service centers in Shenzhen, and has resided related staff in Beijing, Shanghai, Tianjin, Guangzhou, Zhengzhou, Hangzhou, Korea and other places to provide all-round services nearby. Through several years of hard work, we have gradually formed a more mature domestic and overseas

market sales system and a sound and perfect technical service system pre-sales, sales and after-sales, win many domestic and overseas industry benchmark enterprise customers. Meanwhile, we also have established a rapid response mechanism to understand customer needs, market prospects and industry trends at first time.

### **PRODUCTS AND SERVICE**

Runic Technology included Precision operational amplifiers, high-speed operational amplifiers, general operational amplifiers, low-noise operational amplifiers, micro power operational amplifiers, micro power comparators, analog switches, power management, data converters, level switch, voltage reference source etc., which are widely used in various fields, such as industrial control, medical equipment, security monitoring equipment, instruments, automotive electronics, smart home and consumer electronics etc.

## FUJIFILM VIETNAM CO., LTD

### COMPANY PROFILE

Inspection products - from our production processes came inspiration for many products used in advanced inspections and measurements, bringing efficiency, stability, and high precision to manufacturing and testing.

Manufacturing process - We develop and supply a wide range of materials, devices and systems geared toward meeting customer needs with high performance and production potential.

### PRODUCTS AND SERVICE

FUJIFILM (Vietnam), a wholly-owned subsidiary of FUJIFILM Asia Pacific Pte. Ltd., Singapore is well established with wide ranging products such as Industrial Materials, Photo and Electronic Imaging, Graphic Arts, Medical and information systems products for 10 years in Vietnam.

In a corporate culture of openness, Fujifilm is moving forward with a broad range of business activities that aims to exploit innovations in advanced technologies to maintain its leading position at the forefront of the imaging and information solution industries.

## VIETTRONICS BIEN HOA JOINT STOCK COMPANY (BELCO)

### COMPANY PROFILE

Other value added services

### SHANGHAI ANPING STATIC TECHNOLOGY CO., LTD.

#### COMPANY PROFILE

Founded in 1999, Shanghai Anping Static Technology Co., LTD., is a high-tech enterprise integrating R&D, production, sales and technical services. Professional static analysis, intelligent monitoring and elimination solutions provider. Products are widely used in electronics, printing, packaging, textile, semiconductor, medical equipment, plastic film and many other industries. We have reached cooperation with thousands of customers, including many well-known enterprises at home and abroad. Our products have been sold to all over the world. We are committed to providing high-quality products and services and creating value for our partners with our professional focus.

#### PRODUCTS AND SERVICE

AP&T brand series products including: ionizing air blower, ionizing air gun, ionizing bar, ionizing air nozzle with various specifications are widely used in semi conduct, encapsulation, opto-electrical, electronics, communication, spray finishing, printing, textile, pharmaceutical equipment, construction material, injection molding industries. We focus on product quality to ensure excellent performance and stability. At the same time, we strive to reduce product costs and provide the highest price/performance ratio products to help customers to achieve the best effect of the electrostatic problem solving at the lowest cost. Based on more than 10 years of industry practice, we can provide customers with a full range of advisory and consultancy, we also provide customers whole process service including pre-sales, selling and permanent after sales that removes customers' worries. We'll be your reliable partner in static solving field.

## CNS TECHNOLOGIES CO.,LTD

### COMPANY PROFILE

CnS Technologies Co., Ltd. was started in 2020 in Hanoi, Vietnam with value of Collaboration, Network, and Solution. CnS Technologies Co., Ltd. is a joint venture of Sungji Trading Co., Ltd in Korea and Cesstech (S) Pte Ltd in Singapore. Both companies have served various industries in semiconductor, electronics, automotive, film, life science, and Food and beverage industry for more than 30 years while holding great respect for both our partners and customers and value our relationship with them who sincerely share our vision. We strive to find the most active and creative optimal solution for our customers.

### PRODUCTS AND SERVICE

Simc-ION, MG Chemicals, Ideal-tek, IONMEN, Ionizer.

## ABECO ELECTRONIC CO.LTD

### COMPANY PROFILE

ABECO is one of the ABICO group companies. Established in July 2010. Focusing on niche electronic components, especially on the passive components & discrete products for selected segments (Industrial, automotive related....). As an IPO function for some majority electronic distributors or makers in Asia (ex. Rutronik in Europe). To be a platform, especially for the electronic makers in Taiwan, to help selling the products to all over the world. Joint Venture with suppliers to ensure the supply alliance with global partner (provide regional sourcing, and service), helping its secure downstream business.

### PRODUCTS AND SERVICE

We are electronic component distributor specializing at IC, MLCC, resistor, transistor, connector, diode, etc. > what strengths ABECO have > short delivery time for all orders and immediately local service. We help customer prepare all kind of components keep stock in our warehouse. ABECO directly work with factory, so we could get competitive price.

## DAIICHI JITSUGYO (VIETNAM) CO.,LTD

### COMPANY PROFILE

DJK is a trading company specializing in machinery with a network of 34 bases in 17 countries globally.

Daiichi Jitsugyo Vietnam has a base in Hanoi and Ho Chi Minh City and provides equipment sales and services to a wide range of business fields.

All of our employees have a strong sense of professionalism, and we continue to provide solutions that satisfy our customers by utilizing our knowledge and experience.

Daiichi Jitsugyo Vietnam will work with its group companies and business partners all over the world to contribute to the development of all stakeholders and the Vietnamese economy.

Company name : DAIICHI JITSUGYO (VIETNAM) CO., LTD.

Establishment : May 2013 (Representative office from 2004)

Address :

- Hanoi Head Office: 6th Floor, Detech Tower, 8 Ton That Thuyet Street, My Dinh 2 Ward, Nam Tu Liem District, Hanoi City
- Ho Chi Minh Branch: Unit No.1107, 11th Floor, ZEN PLAZA, 54-56 Nguyen Trai Street, District 1, Ho Chi Minh City
- Technical Center: No 219 Trung Kinh, Yen Hoa, Cau Giay, Ha Noi City
- Number of SMT sales: 6 (5 in Hanoi, 1 in Ho Chi Minh)
- Number of CS engineer: 16 (12 in Hanoi, 4 in Ho Chi Minh)

### PRODUCTS AND SERVICE

## DONGGUAN LONGSHENGFA

### ANTISTATIC PRODUCTS CO., LTD

### COMPANY PROFILE

The company was founded in 2010, the production of anti-static gloves, anti-static clothing, anti-static shoes, dust-free cloth, dust-free paper for more than 10 years, all kinds of anti-static products, dust-free products have a very professional knowledge and supporting services. The factory has more than 100 workers and is located in Xiani Village, Qingxi Town, Dongguan City, Guangdong Province.

## FORTECH INDUSTRIAL LIMITED

### COMPANY PROFILE

Fortech is Hong Kong based company with factory being located in Shenzhen, China. We are professional and flexible in providing various kinds of switches and components. With our highly advanced in-house testing equipment, R&D team, technical engineering team, we are able to provide full range support and services to our customers. Our goal is to be your partner together we identify, meet and solve any challenges with Fortech's innovative and high quality products.

Fortech acknowledges the environmental care as a compulsory mission to manufacture safe and healthy products. During the manufacturing process, Fortech continuously strives to reduce any substances of concern. Fortech's quality system has been registered to ISO 9001:2015 system. As a result, our products would meet the measures of RoHs Directive and REACH simultaneously, while they would also achieve international safety standards such as UL, CSA (cUL), ENEC, CB, CQC, CCC, PSE(JET), KC

### PRODUCTS AND SERVICE

Our products included slide switch, keyboard switch, micro switch, stainless steel push switch, timer switch, power tools and power socket...etc. With our engineering team support, we are able to provide custom made products by following customer's specification

## HONGFA ELECTROACOUSTIC (HONGKONG) CO., LTD.

### COMPANY PROFILE

HONGFA, a product and solutions provider integrating relay products, electrical products, modules/controllers, capacitors and automation equipment. Manufacturing through continuous technological innovation and leading quality designs. Committed to providing users with efficient, safe, environmentally friendly solutions. Founded in 1984, today's HONGFA has become the leader in global relay industry.

HONGFA has more than 30 subsidiaries worldwide, and its business covers more than 120 countries and regions, including relays, medium and low voltage electrical appliances, high and low voltage complete equipment, connectors, capacitors, precision parts and automation equipment. HONGFA has established three R&D and production bases in China (Xiamen-Zhangzhou, East and West) and a factory in Indonesia, successfully creating the advantage of a complete industrial chain with a complete range of products.

HONGFA is committed to providing customers with satisfactory products and solutions through continuous innovation and unremitting pursuit of high quality to bring people a more comfortable and convenient life.

### PRODUCTS AND SERVICE

Relay products, electrical products, modules/controllers, capacitors and automation equipment

## HUIYANG ZING EAR INDUSTRY CO., LTD

### COMPANY PROFILE

ZING EAR ENTERPRISE CO.,LTD. Since its inception, the spirit of forge ahead, and actively innovative attitude, and constantly develop new products and enhance product quality, after years of continuous efforts to expect to become an international company! So that Jin Yu products to market in the world, to achieve the ultimate goal of sustainable development, with a view to the future become a world-class professional manufacturers.

ZING EAR attaches great importance to and constantly improve the implementation of internal quality management and implementation, has passed ISO9001: 2015 international quality system certification, the vast majority of products through the ISO, 3C, UL, cUL, CSA, VVD, TUV, CE, PSE and other domestic and international safety certification and testing. Currently employs about 1,500 people, the total use of an area of about 200,000 square meters.

### PRODUCTS AND SERVICE

Manufacturer of varieties electronic switches, ceiling Fan switches, lighting switches, dimmer switches, remote controllers, micro-switches, touch switches, circuit breaker switches, reed switch sensor, kinds of lampholders, wire harness, electronic wiring devices, and all kinds of electronic parts, Thermal protector. All kinds of thermal and high temperature wires.

## JHDLCM ELECTRONICS CO., LTD.

### COMPANY PROFILE

JHDLCM Electronics Co., Ltd is a professional producer of monochrome and tft COG lcd modules and led backlight which located in the world's electronics industry powerhouse — Shenzhen. Through unremitting efforts since 1999, JHDLCM has now become one of the high-tech enterprises in China and has been approved by ISO9001, ISO14001, ROHS and SEPA.

JHDLCM possesses various full-automatic production lines of COG, FOG lcd module and backlight, each with its distinctive features, as well as a host of related auxiliary production equipment and test instruments. With all these facilities, a relatively integrated system for automatic and smart industrial manufacture has initially been formed, making us be able to meet individual requirements of customers from global different areas for different products. Our production capacity of monochrome and tft COG lcd module is up to 200,000 and backlight 500,000 per day while ensuring excellent and stable quality and perusing fast delivery. At present, we have over 5000 kinds of standard monochrome and tft COG products and each with a certain amount of inventory. Our products can be widely used in various industries such as finance, communications, home appliances, instruments, toys and industrial automation.

### PRODUCTS AND SERVICE

With 20 years' solid technical foundation and industry experience, our backlight branch factory is comitted to make research and development of plane light source and designs over 1000 kinds of backlight with different structures and color. JHDLCM has been an important force of global led backlight field.

## LIPERS ENTERPRISE CO., LTD

### COMPANY PROFILE

Established since 1994 as one of the leading and preeminent designed house, Lipers keep striving for excellence in promoting and offering high quality and foremost technology electronic components and professional support to the customers, scattering around the world.

In 1997 Lipers is successfully transformed into manufacturer of SMD chip passive components With 10 years experiences in design and manufacturing, Lipers group gained an excellent reputation for SMD chip passive components under our own brand of "UWA".

Lipers group are derived from the customers' support and every employee's endeavor. Lipers, the most valuable assets are neither the sales turnover by the year nor the glorious history possessing the market but their customers' support scattered around the world, and every employee's growth and vigorous attitude toward his work.

At Lipers, we sure offer considerate and immediate services, sharp-sighted devices, professional support, the very competitive price with high quality products. Lipers surpass what customers are expecting

### PRODUCTS AND SERVICE

Lipers Enterprise is keep expanding its product lines by establishing agency relationship with worldwide top makers of passive components to fulfill our customers' needs. Due to economic scale, full range of specification, Lipers also can provide very competitive price, on-time delivery, and high flexibility of services for our agency products with our own UWA chip capacitor, chip resistor, chip bead, and chip inductor, now Lipers can provide chip tantalum capacitor, and chip electrolytic aluminum capacitor to our customers

Lipers / UWA Passive Components is a partner for your "Total Passive Component Solution Provider".

## JOINT TECH ELECTRONIC IND. CO., LTD.

### COMPANY PROFILE

Wire to board, wire to wire and FPC connectors manufacturing

### PRODUCTS AND SERVICE

Our products included slide switch, keyboard switch, micro switch, stainless steel push switch, timer switch, power tools and power socket...etc. With our engineering team support, we are able to provide custom made products by following customer's specification

## MIRACLEAN TECHNOLOGY CO., LTD

### COMPANY PROFILE

Established in 2003, Shenzhen Miraclean Technology is a manufacturer specialized in producing Cleanroom Products & Printers Cleaning Products. In order to meet or even exceed the industry standard, the plant is completely equipped with DI water system, sterilization equipment and purification workshops. The company is located in the modern coastal city Shenzhen, China where possesses convenient ports and perfect transportation systems, we are very close to Hongkong and it is convenient for visiting.

IC Online

## NOVA TECHNOLOGY(HK)CO.,LTD

### COMPANY PROFILE

Nova Technology (HK) Co., Limited is a Hong Kong based company.

We have been specialized in electronic components such as IC chips, diodes, relay, resistor, transistor, capacitor and so on since 2007.

We work with original factory or authorized distributor directly to ensure that each product is manufactured to meet the highest quality standards. We have many different source for finding the shortage components.

We provide customers with the best value and the most competitive prices.

We confidently offer a wide range of products that will hopefully satisfy your requirements. Please do not hesitate to contact us if there is any inquiry.

### PRODUCTS AND SERVICE

Supplying various types of electronic components and provide PCB, PCB assembly service.

Exporting business makes up almost 80% of our total sales

Quality is our priority, Honesty is our principal, Win-win is our goal

## UNIWELL ELECTRONIC LTD.

### COMPANY PROFILE

Established in Hong Kong in 1988, Uniwell Electronic Ltd is a wholly owned Hong Kong enterprise in manufacturing printed circuit board (PCB), the headquarters is based in Hong Kong while the plant was moved to Dongguan since 1995. The company is honoured to be the member of HKPCA (Hong Kong Printed Circuit Association) and CPCA (China Printed Circuit Association). We are certified with UL, TS16949, ISO14000, ISO9001 and CQC quality system certification in which demonstrate our ability and professions to consistently provide products and services that meet customer and regulatory requirements

### PRODUCTS AND SERVICE

We manufacture single sided, double sided and multilayer PCB. Costs and Service are the two most important elements required by each customer. Hence, we are fully devoted to reduce cost, improve production efficiency, and enhance our overall competitiveness. Simultaneously, we have set up various global sales support networks to provide the best service and the quickest technical support to our customers around the world.

## INORSEN VINA CO., LTD

### COMPANY PROFILE

Inorsen Vina Co., Ltd., a subsidiary of Inorsen group, with the certificate of ISO9001, ISO14001, UL, ROHS, REACH, CQC, and other system certification, was founded in December 2007 and located in Dong Lang Industrial Park, Phu Ninh District, Phu Tho Province Vietnam. The factory covers an area of 33,000 square meters, with an annual output of 120,000 square meters.

### PRODUCTS AND SERVICE

After the acquisition from Sewoo Global in 2019, Inorsen has committed to invest more equipment from manufacturing to QA inspection to ensure a better service provided to the electronic manufacturing, which are widely used in home appliances, mobile communication, consumer electronics, and other high-tech fields. We hope to provide a professional services to our customers all over the world with a reliable quality.

东莞市正合普力生电子有限公司

### DONGGUAN ZHENGHE PRECISION ELECTRONICS CO.,LTD.

#### COMPANY PROFILE

Dongguan Zhenghe Precision Electronics Co. Ltd was founded in 2002. Our company focuses on developing high-quality connectors, and we have 18 years of experience in producing precision connectors. The area of our factory is around 5,300 square meters, more than 130 employees are working. Zhenghe is a China leading company in the manufacture of high-reliable spring-loaded contacts that are used in many different fields of the industry. We also provide professional and high-quality precision turning parts; Precision injection molded parts; Magnetic charging cables.

#### PRODUCTS AND SERVICE

Our company focuses on developing high-quality pogo pin connectors, and we had 18 years of experience in producing precision connectors. We also accept customization.

### LIPERS ENTERPRISE CO., LTD

#### COMPANY PROFILE

We are focused on working closely with our customers providing fast turnaround, flexible, high quality and cost effective solutions from prototype through mass production.

With aim to be a top Vietnamese enterprise in the production field of Electronic assembly, Manutronics non-stop increase the value and benefit for customers basing on modern technology, LEAN management and good quality services

We strengthen manufacturing method by:

- Improve product cost by IT and automatic method - Product follow by demand change
- Build knowledge learning culture
- Comply ISO standards and quality/environment management systems
- Continuous improvement from SQCDE by 4M. We fully believe that our products will meet your business demand with high quality and good service.

#### PRODUCTS AND SERVICE

PCB Assembly (Turnkey or Assembly)  
Used for Automotive, Mobiphone, printer, home appliance,..Turnkey project or assembly only with small volume is acceptable. We can guarantee to deliver exactly what you need with both speed and quality

Meeting society's needs with nature's blessings.

## AIR WATER VIET NAM

### COMPANY PROFILE

#### Management Philosophy

We dedicate ourselves and resources backed by the entrepreneurial spirit and pride in creation and development of businesses linking air, water earth and humans.

We provide with optimal solution services to our customers with technologies and experiences as a pioneer in gas business, for manufacturing and trading of industrial gas, medical gas, design and construction of gas equipment & devices.

Upon fundamental of gas business, we will create diversified business lines and actively take part in settlement of issues in the field of industry, medical, energy, environment and living in Vietnam.

#### Policy on Quality

Offering products, goods, and services with quality appreciated by our customers with a word of thanks.

In terms of Quality of Products, we continuously pursue high quality assurance with analytical instruments. In terms of Plant Operating, we strive to maintain stable operation and stable

supply products with backup from "Remote Monitoring Support Center" in Japan, preventative maintenances by trained operators

In terms of Products Delivery, we always try keeping delivery term.

### PRODUCTS AND SERVICE

- Industrial gas
- Medical gas
- Energy
- Environment
- Semiconductor & Electronics
- Living and Other Business

# VTB

Viettronics Tan Binh JSC.

## CÔNG TY CP VIETTRONICS TÂN BÌNH

### COMPANY PROFILE

-Quyết định thành lập số: Giấy chứng nhận đăng ký kinh doanh lần đầu sau cổ phần hóa số: 4103002463 ngày 06/07/2004 Sở Kế hoạch và Đầu tư Tp.HCM cấp.

-Ngành nghề kinh doanh chủ yếu: sản xuất, lắp ráp, bảo hành, bán buôn, bán lẻ các sản phẩm điện, điện tử, điện lạnh, tin học và các dịch vụ liên quan. Kinh doanh tài chính, bất động sản và văn phòng cho thuê.

-Cổ phiếu của Công ty Cổ phần Viettronics Tân Bình được niêm yết trên sàn giao dịch Chứng khoán Tp.HCM - HOSE vào năm 2006. Mã cổ phiếu: VTB

-Vốn điều lệ: 120 tỷ đồng

-Chủ tịch Hội đồng Quản Trị: ông Vũ Hải Vĩnh

-Tổng Giám đốc: ông Văn Viết Tuấn

-Phó Tổng giám đốc: ông Đào Trung Thanh

-Tổng số nhân viên: 113 người.

-Doanh thu 2020 : 460 tỷ đồng

-Mạng lưới bán lẻ và bảo hành:

-Từ năm 2000, nhà sản xuất và kinh doanh sản phẩm VTB với mạng lưới bán lẻ rộng khắp đã được VTB thiết lập phủ khắp 63/63 tỉnh thành trong việc phân phối bán lẻ các sản phẩm VTB đến tay người tiêu dùng.

-Bên cạnh đó VTB cũng đã phát triển công tác Dịch vụ hậu mãi tại 64/64 tỉnh thành, thực hiện chính sách bảo hành uy tín và hiệu quả, giúp người sử dụng yên tâm và cảm thấy thật sự hài lòng với chất lượng sản phẩm VTB.

— Your Best Choice of Solder —

## DYFENCO INTERNATIONAL CO., LTD

### COMPANY PROFILE

Dyfenco was established in 1979, founded by solder material manufacturer with extensive knowledge and expertise in the PCBA and Semiconductor process.

With our unique expertise in chemicals formulation and materials technology, Dyfenco is well positioned to develop products to meet technology challenges and satisfy customer demands. We supply full range of solder products of solder paste, solder wire, solder bar, flux, cleaner, tin anode, etc. which applicable in PCBA, Automobile, LED, Semiconductor, PC, Telecomm, etc.

Characteristic for our solder products as follow :

1. Solder Bar – Reduce dross for at least 20%, strong oxidation resistance, and able to keep 7~8 hours of mirror surface on solder pot.
2. Solder Wire – Direct soldering on nickel and stainless steel, ultra-fast soldering speed, extra-low spattering, no white flux residues, ideal for robotic soldering.
3. Solder Paste – Zero halogen, no dryness, ultra-low void, ultra-fine pitch printing, automotive application.
4. Flux – No white residues, excellent soldering ability, low defect rate, water soluble, good hole-fill demonstrated.
5. Cleaner – Halogen Free, ozone-friendly, high cleaning ability.

Dyfenco established The MORE Electronic Lab in 2012 which has well completed IPC detection system, providing customers with more strong technical support, PCBA reliability and failure analysis service.

**TOSHIBA**

## TOSHIBA DIGITAL SOLUTIONS CORPORATION

### COMPANY PROFILE

Toshiba Digital Solution Corporation a commercial services company. The Company provides system integration services, software solutions and services, technology supporting, and consultation services to clients. Its solutions include but not limited to Social Infrastructure, Manufacturing, Retail, Energy, Building. In Vietnam, it has an office in Ho Chi Minh City at 4th Floor Centec Tower, 72 Nguyen Thi Minh Khai Street.

### PRODUCTS AND SERVICE

Smart Retail solutions include Customer Loyalty Manager, POS, E-Commerce, Shopping Mall & Retail Chain Management. Smart Manufacturing solutions include Asset IoT, Manufacturing IoT, AI Visual Inspection, VR Maintenance, E-Learning, On-Site Visualization.

## THANH LUAN PRODUCTION & TRADE COMPANY LIMITED

### PRODUCTS AND SERVICE

Specialist in metal plating and surface treatment

## **SYMBIO, INC.**

### **COMPANY PROFILE**

Symbio, Inc. is recognized as a leading adhesive tape manufacturer in Asia more than six decades. We are committed to be an adhesive solution provider, creating something worthwhile for industrial customers and consumers. As encountering the challenges of a competitive and changing market, Symbio continues to rely and build on our strengths and expertise, while becoming more flexible and adaptable, to meet global demands customers.

In order to further strengthen total solutions and customization for our overseas valued customers, since 30 years back with our Globalization Strategy, we have established sophisticated manufacturing plants, converting factories and sales & service offices in most strategic countries and cities spreading through South East Asia and Mainland China. Keep in mind, "YOU ARE THERE, WE ARE THERE".

### **PRODUCTS AND SERVICE**

Adhesive Tapes and labels for several industries, for example, electrical & electronics, automotive, building & construction, consumer products, printing, etc.

## **T.C ELECTRONICS SOLUTION** **VIETNAM CO., LTD**

### **COMPANY PROFILE**

TCE is one of Vietnam's leading Tier 3 EMS. With 12 years of operation, TCE's goal is to be the best of its genre by having world-class manufacturing levels offered to its customer base in Asia, North America and Europe. As a global entity in the EMS industry, TCE has raised its commercial offerings to meet the needs of our international customers. As a result of this agenda, TCE has adopted a series of commercial positions to mirror the needs of American OEMs. Our commercial profile is unique and indeed compatible with American OEMs.

### **PRODUCTS AND SERVICE**

Full services : ODM, OEM from PCBA to Turnkey assembly

## JINDONGLI INTELLIGENT TECHNOLOGY (SZ) CO., LTD

### COMPANY PROFILE

Jindongli Intelligent Technology (SZ) Co., Ltd. is specialized in the manufacture of inductor automatic processing equipment. Over the ten years, we have been supplying assembly line production solutions to SMD manufacturers, inductor manufacturers and other electronic enterprises.

Our main products include inductor winding machine, soldering machine, gluing machine, Testing and Taping Machine, etc., as well as packaging material used in testing and packing process, like carrier tape, cover tape and plastic reel.

Over the past ten year, we have accumulated rich technical experience and we have built a perfect supporting project design service system. Our factory owns five-axis machining centers, CNC machining center and other precision machining equipment, producing 500 sets of various processing lines annually with a pass rate of 98%. Due to our strict control on product

quality, we have passed ISO9001 quality management system certification. Besides, our company manufactures carrier tape, cover tape and plastic reel in strict accordance with EIA-481 standard.

Our company has established long-term cooperation with TDK, SUMIDA, HILISIN and other famous enterprises, and provided them with molded inductor, common-mode choke, shielded inductor, ferrite core inductor and other SMD electronic products production line solutions. In addition, we also undertake supporting services for SMD electronic components production.

### PRODUCTS AND SERVICE

Inductor winding machine, soldering machine, glue dispensing machine, testing and packaging Machine, automatic tape and reel machine, coil winding machine

## **IBE ELECTRONICS CO., LTD.**

### **COMPANY PROFILE**

With over 17 years in business, IBe has established itself as a premier US Based manufacturer and designer of products and components, which are designed & manufactured here in the U.S or abroad at our state-of-the-art, Bac Ninh VietNam, Shenzhen, China manufacturing center.

Our customers work closely with IBe support teams, including our China-based manufacturing and engineering teams to ensure the products we manufacture or design are in the highest quality.

IBe has been long known for it's high quality of PCB manufacturing and OEM design capabilities for both Electronics and Mechanical to have the system integrations on finished goods, strong testing and products reliability laboratory capabilities, with several decades of success, we've pioneered ourselves around the traditional high-precision and high-quality manufacturing morals

### **PRODUCTS AND SERVICE**

- Research&Development
- Prototyping
- PCB Layout & Manufacturing
- Components sourcing
- SMT/ PCBA /Product Assembly
- Manufacturing of plastic injection mold parts and metal parts
- Package
- Other value-added services

We offer one-stop cost effective solution for your product development process.

## JINDONGLI INTELLIGENT TECHNOLOGY (SZ) CO., LTD

### COMPANY PROFILE

We are dominating the largest market share of power inductor products in China market. Our products are used in various industries such as Panel, Netcom, Smart Meters and Consumer Electronics, and we aim for Automotive Electronics, Medical and White Goods in near future

### PRODUCTS AND SERVICE

Arlitech are committed to providing clients with high quality components, innovative IOT design services, and systematic Surface Mount Technology production to effectively meet customers' demands.

## TOYO AUTOMATION CO.,LTD

### COMPANY PROFILE

TOYO Group has been set up at 2000 in Taiwan. With the support by lots of customers and partners in automation business fields, TOYO has become the premium and preferred shining brand in automatic single axis robot market of Taiwan and China by our continuous innovation ability and excellence in research and development. In the meantime, TOYO is exporting the product to Japan and other advanced market successfully and receive good reputation from the customers. In order to keep enhancing the technological competitiveness, TOYO has put in numerous investment on R&D in recent years and design various kind of single axis modules which integrating the controller system and mechanical modules.

### PRODUCTS AND SERVICE

Ballscrew driven actuator, Electric Rod actuator, Belt driven actuator, European type actuator, Clean room ball screw driven actuator, Linear motor Robot, Alignment stage, Servo Cylinder, Desktop robot, Servo Cylinder, Electric gripper, AGVS

## VASUDHA IT SOLUTIONS PVT. LTD.

### COMPANY PROFILE

Vasudha IT Solutions Pvt. Ltd. (VITS) is in software business since 2010 and has developed ENEFINDER ([www.enefinder.com](http://www.enefinder.com)) as its first web-based application. ENEFINDER is a online directory of industrial Electrical, Electronics and Automation products and services. Its an excellent place for meeting of Buyers and Sellers of these product segments. In addition, ENEFINDER also offers other essential benefits to its members like Tenders/RFQs, News & Events, Jobs & Vacancies, interesting Articles for reading, interviews of leading personalities, and a place for disposal of excess stocks/surplus inventory. In addition to ENEFINDER, VITS also has launched many business software products like ERP, CRM, Inventory & Assets Management, Payroll & HRMS software, Project Monitoring software, Etc.

### PRODUCTS AND SERVICE

ENEFINDER – web portal for Electrical-Electronics, (b) Seagull-Series business software products

## SHENZHEN ELT TECHNOLOGY CO.,LTD

### COMPANY PROFILE

Shenzhen ELT Technology Co., Ltd. is a national high-tech enterprise and Shenzhen high-tech enterprise specializing in the research and development, production and sales of X-RAY, optical instruments and other testing instruments.

The company specializes in providing tailor-made non-destructive testing solutions for PCBA, SMT assembly, semiconductor packaging, LED, battery, automotive electronics, precision hardware, automotive die casting, wheel hubs and other industries

### PRODUCTS AND SERVICE

Independent products include micron and nanometer X-ray tubes, flat-panel detectors, image intensifiers, and X-ray non-destructive perspective detectors.

## MITUTOYO VIETNAM CO.,LTD

### COMPANY PROFILE

Mitutoyo Vietnam was set up in January 2021 with its Head Office in Hanoi and 2 Branch Offices in Ho Chi Minh City & Hai Phong City. With regional sales offices, M<sup>3</sup> Solution Centers, calibration labs and aftersales services as well as machine-specific training and general metrology training courses, we offer a comprehensive range of precision measuring equipment from Micrometers, Calipers, Indicator, Linear Height Gage, Digital Scale and DRO, Data Management-SPC to Hardness Testing Systems, FORM Measurements, Optical Measuring, 3D Coordinate Measuring Machines and Vision Measuring Systems.

### PRODUCTS AND SERVICE

Micrometers, Calipers, Indicator, Linear Height Gage, Digital Scale and DRO, Data Management-SPC to Hardness Testing Systems, FORM Measurements, Optical Measuring, 3D Coordinate Measuring Machines and Vision Measuring Systems.

## SES SMART GRID ELECTRIC SOLUTION COMPANY LIMITED

### COMPANY PROFILE

Công ty TNHH Giải pháp Lưới điện Thông minh SES (SES) là doanh nghiệp khoa học công nghệ tiên phong cung cấp các sản phẩm, giải pháp thông minh cho lưới điện và hệ thống năng lượng.

SES luôn tập trung nghiên cứu, phát triển và áp dụng các công nghệ mới mang đến lợi ích cao nhất cho khách hàng và xã hội. Giải quyết các vấn đề về Quản lý, Giám sát, Đo lường lưới điện 1 cách thông minh nhất, linh hoạt nhất với chi phí đầu tư hợp lý nhất. Các sản phẩm của SES đã và đang được triển khai rộng khắp cả nước và nhận được sự đánh giá rất cao từ các đối tác lớn như tập đoàn EVN, các doanh nghiệp FDI .....tại Việt Nam.

### **NORDSON ADVANCED TECHNOLOGY PTE LTD**

#### **COMPANY PROFILE**

Nordson EFD designs and manufactures precision fluid dispensing systems for applying controlled amounts of adhesives, sealants, lubricants and other assembly fluids used for processes in the electronics, medical, wireless, automotive, and other industries.

By enabling manufacturers to apply the same amount of adhesive or other assembly fluid to every part, EFD fluid dispensing systems are helping companies increase throughput, improve quality, and lower their production costs.

Other EFD products include high-quality syringe barrels and cartridges for packaging one-and-two-component materials, along with a wide variety of fittings, valves, connectors, and tips for controlling fluid flow in other industrial environments.

#### **PRODUCTS AND SERVICE**

Nordson EFD provides precision fluid dispensing solutions including dispensers, dispensing valves, dispensing automation systems, dispensing components, 2k meter mix and cartridges, solder paste, thermal compound

# HANEL PT

## HANEL PRODUCTION AND IMPORT – EXPORT JOINT STOCK COMPANY

### COMPANY PROFILE

Hanel Production and Import Export Joint Stock Company (hereinafter referred to as "HanelPT") established on 2000, Hanel PT has marked its present to partners by its name and prestige!

Type of production: Processing, assembling and exporting electric - electronic components.

All activities of Hanel PT are aimed at achieving the final goal of providing the ultimate benefit for its client.

Over twenty one (21) years of working with international partners has given us the precious experience in terms of prestige and high precision from the smallest thing. We always aim to be the leading Vietnamese enterprise in processing and providing electric - electronic components.

### PRODUCTS AND SERVICE

- Piezoelectric element (Sounder, buzzer, sensor, tranformer, actuator...)
- Assembly Printed Circuit (PCBA)

## MARTINTRIER PTE LTD

### COMPANY PROFILE

Martintrier (Singapore) Pte Ltd. is a technology leader in the automation and laser industry. In the SMT industries, our machine are widely used for laser cutting, marking, drilling and PCB routing cut. We provide World Wide Services in Europe especially in Germany, Singapore, China and Asia countries. We have full range solutions of laser engraving and PCBA cutting needs.

### PRODUCTS AND SERVICE

MARTIN MAG series laser marking machine (CO2 / UV / FIBER) used on PCBA/Plastic/Metal surface for marking/identification purposes, widely used in mechanical, electronics, automotive, semiconductors and other industries.

MARTIN MT2000 & MT3000 series PCBA Router machine are user-friendly PCBA single form cutting, the offline/ inline machine all can meet high efficiency and high precision requirement from customer.

## HAYAWIN ELECTRONIC TECHNOLOGY CO., LTD.

### COMPANY PROFILE

Hayawin was established in 2006 and located in Dongguan city, Guangdong province, as a professional equipment manufacturer, we have a wide range of businesses, including the exploitation, design, development, manufacture and selling of the whole-factory automation equipment.

In the past decades, we have become a powerful motive force in the market competition step by step. We have already been the leading brand of the SMT electronic equipment industry and we still continue to move to a higher level. Having an auto electronics and mechanical mold design group, we optimize and rationalize the function of our mechanical devices by doing independent research, development and innovation. This helps us satisfy the different demands from the different industries as well. We insist on providing suitable product, reasonable price and superior service for our clients. Our company has a long-term adherence to the high proportion input of research and development, which helps us get a number of utility model patents and inventions. Therefore, we are not only ISO9001 certified but also honored as the high-tech enterprise and AAAAA credit enterprise.

The main products of our company are following: the board handling equipment of SMT, automatic labeling machine, automatic board loader and unloader, High-speed vacuum loader, pcb turning machine, conveyors and all kinds of related electronic equipment, production line, auto mechanic hand

equipment and so on. As for main accessories, in order to ensure the high quality and long work life, we choose the top-ranking accessories for all of them. The products of our company are of high design standard, advanced technology and super safety, which make us occupy a powerful competitive-position in the market competition.

For years, our products are sold well at home and abroad, the foreign markets including America, Mexico, Germany, Poland, Israel, Indi, Malaysia, Thailand, Vietnam and so on. Nowadays, we Hayawin gains the good reputation due to the outstanding products and considerate service. As "Hayawiners", all of our staffs will keep our bossmanship in mind, which is: "To be righteous and honest, to be collaborative, to be struggle and creative, to be social-devoted", and continue to provide the product and service with high quality and high competitiveness. We set up "the quality is the first and the clients are the top" as our consistent aim. By offering high-tech products with high quality and reasonable price, we sincerely invite the friends from all fields of the society to have a sincere cooperation, forge ahead hand in hand and create a brighter tomorrow together.

### PRODUCTS AND SERVICE

SMT board handling equipment, loader, unloader, conveyor, shuttle, AGV, label placer etc. Strong presence in Vietnam with local partner.

## DIEN QUANG LAMP JOINT STOCK COMPANY

### COMPANY PROFILE

Dien Quang is known as a famous domestic brand in the field of manufacturing and trading leading electrical and lighting products in the domestic market after nearly half a century of strong development and affirming the leading position in the domestic market.

Dien Quang has step by step perfected itself, strengthened internal resources, and invested in equipment, technology and human resources to firmly and confidently step into the global supply chain with Supporting Industries with products that require high accuracy and strict standard requirements as ordered by major technology corporations in the world. Dien Quang's OEM products focus on the fields of electrical, electronic and engineering plastics, assembly and processing of OEM finished products.

In particular, Dien Quang Hi-tech factory is located at Lot HT-2-2, D2 Street, Hi-Tech Park, Tang Nhon Phu B Ward, Thu Duc City, Ho Chi Minh City with a favorable geographical position for trade connection:

- Located 18km from Tan Son Nhat International Airport, convenient for air transport.
- 12 km from Saigon port and near important ports such as Tan Cang, Thi Vai, Cat Lai, easy for transport by waterway.
- Located next to Hanoi Highway (National Highway 1) connecting North - South and Asian Highway connecting Ho

Chi Minh City with Phnom Penh (Cambodia) and Bangkok (Thailand) by road.

With these advantages, Dien Quang is ready to become a strategic partner in the supporting industries.

### Vũ Trọng Tài

Tổng Giám đốc  
Công ty Reed Tradex Việt Nam

**T**hay mặt Công ty Reed Tradex, chúng tôi hân hạnh chào đón quý doanh nghiệp, các đơn vị, đối tác đồng hành và tất cả quý quan khách đến tham dự Triển lãm Quốc tế lần thứ 13 về SMT, Công nghệ thử nghiệm, Thiết bị và Công nghiệp hỗ trợ trong ngành điện tử (NEPCON Việt Nam) được tổ chức trực tuyến từ ngày 17 đến ngày 19 tháng 11/2021.

NEPCON là một trong những triển lãm được tổ chức bởi Reed Tradex, nhà tổ chức triển lãm hàng đầu khu vực Đông Nam Á, thành viên của Reed Exhibitions, công ty chuyên mang đến những sự kiện cao cấp chuyên sâu, kết nối doanh nghiệp với các nhà cung cấp và đối tác. Với quy mô toàn cầu hơn 400 sự kiện tại 22 quốc gia, phục vụ 43 lĩnh vực công nghiệp, riêng tại Thái Lan và Việt Nam, Reed Tradex sở hữu hơn 20 thương hiệu uy tín về triển lãm và hội nghị quốc tế. Đúc kết từ 36 năm kinh nghiệm trong ngành tổ chức sự kiện và triển lãm quốc tế, Reed Tradex đã thiết lập thành công hệ thống mạng lưới kết nối các doanh nghiệp kinh doanh đa ngành một cách hiệu quả, tối ưu bằng phương thức kết hợp các yếu tố Chiến lược sự kiện, Kiểm soát tài chính, Vận hành tinh gọn và Truyền thông tích hợp. Chúng tôi tự hào được đóng góp một phần trong quá trình hiện đại hóa ngành điện tử và công nghiệp hỗ trợ tại Việt Nam thông qua các triển lãm hàng năm lớn nhất trong ngành. Năm 2021, lần đầu tiên ra mắt phiên bản trực tuyến, NEPCON năm nay sẽ là sân chơi dành cho gần 100 thương hiệu đến từ hơn 10 quốc gia cùng với các hoạt động có nội dung phong phú đi kèm dịch vụ kết nối kinh doanh. Tôi tin tưởng rằng các chương trình hội nghị và các hoạt động diễn ra xuyên suốt tại các gian hàng sẽ mang đến nhiều ý tưởng mới cho cả đơn vị triển lãm lẫn khách tham quan.

## Reed Tradex

Với vai trò là nhà tổ chức triển lãm, Reed Tradex trân trọng gửi lời cảm ơn đến quý đối tác, các đơn vị đồng hành như Dự án Liên kết giữa các doanh nghiệp nhỏ và vừa (LinkSME) của Cơ quan Phát triển Quốc tế Hoa Kỳ (USAID), Hiệp hội doanh nghiệp điện tử Việt Nam (VEIA) cùng toàn thể các cá nhân, các tổ chức, doanh nghiệp đã cùng chúng tôi chung tay tổ chức triển lãm NEPCON Việt Nam 2021.

Chúc quý vị nhiều sức khỏe, gặt hái nhiều thành công, kết nối được nhiều cơ hội kinh doanh, mở rộng mạng lưới đối tác của mình tại triển lãm NEPCON trực tuyến năm 2021 và sẽ tiếp tục đồng hành cùng các chương trình, sự kiện, hoạt động cũng như triển lãm tiếp theo của Reed Tradex trong tương lai.

Vũ Trọng Tài  
Tổng Giám đốc  
Công ty Reed Tradex Việt Nam

### Vu Trong Tai

General Manager  
Reed Tradex Vietnam

It is our pleasure to welcome all valuable business guests, partners, supporters, representatives from government and especially exhibitors and visitors who participate in the 13th edition of NEPCON - The Vietnam's Only Exhibition on SMT, Testing Technologies, Equipment and Supporting Industries for Electronics Manufacturing, digital edition from 17-19 November 2021.

NEPCON Vietnam 2021 is one of the exhibitions organized by Reed Tradex - the ASEAN's leading exhibition organizer, a member of Reed Exhibitions, the world's leading events organizer who creates high profile, targeted industry events where buyers and suppliers come together to do business. Our global portfolio includes over 400 events serving 43 industries in 22 countries. In Thailand and Vietnam, we organize 20 strong brands of international exhibitions and conferences. With 36 years of experience, Reed Tradex has been forming circles of business contacts for many industries using unique skills in Event Strategy, Financial Control, Operations Excellence, and Integrated Marketing Communications, that can only be excelled through experiences and connections. We are proud to make contributions in the continuous improvement of electronics industries and supporting industries in Vietnam through our yearly largest industrial exhibitions. This year, upgraded with the 1st digital edition, NEPCON will be displaying latest machinery and technologies for the electronics and supporting industries by 100 brands from more than 10 countries. The event will be the industry's connecting hub where factory owners, engineers and industrialists will gather to discover new solutions and partners via product show case, on-site seminars, workshops and other special activities offered at exhibitor's booths only. I believe NEPCON 2021 will bring up new ideas and business innovations for both exhibitors and visitors.

General Manager  
Reed Tradex Vietnam

## GẶP GỠ DỰ ÁN USAID LINKSME TẠI NEPCON VIỆT NAM 2021

“Thúc đẩy cải cách và nâng cao năng lực kết nối của doanh nghiệp nhỏ và vừa” (LinkSME) là dự án hỗ trợ kỹ thuật do Cơ quan Phát triển Quốc tế Hoa Kỳ (USAID) tài trợ, tập trung cải thiện môi trường kinh doanh và tạo cơ hội cho các doanh nghiệp nhỏ và vừa (DNNVV) tại Việt Nam. Dự án có tổng kinh phí 24,9 triệu đô la Mỹ được thực hiện từ tháng 9 năm 2018 đến tháng 9 năm 2023.

Trên cơ sở phối hợp với Bộ Kế hoạch và Đầu tư và các tổ chức hỗ trợ doanh nghiệp, dự án USAID LinkSME tạo cơ hội cho các DNNVV Việt Nam thông qua:

- Tăng cường năng lực cho DNNVV nhằm đáp ứng yêu cầu khắt khe của doanh nghiệp đầu chuỗi;
- Hỗ trợ thiết lập mối quan hệ cung ứng lâu dài giữa DNNVV Việt Nam và doanh nghiệp đầu chuỗi;
- Giúp các DNNVV Việt Nam hồi phục từ ảnh hưởng kinh tế của đại dịch COVID-19 thông qua các hoạt động đẩy nhanh quá trình chuyển đổi số, hỗ trợ tiếp cận tài chính và tái cấu trúc các khoản nợ;
- Nâng cao năng lực của các tổ chức hỗ trợ doanh nghiệp để cung cấp các dịch vụ hỗ trợ một cách dài hạn và bền vững.

Dự án USAID LinkSME đang thúc đẩy kết nối kinh doanh giữa các DNNVV Việt Nam và các doanh nghiệp đầu chuỗi trong các lĩnh vực ưu tiên bao gồm điện tử, cơ khí, dệt may, chế biến nông sản, sản phẩm gỗ hoặc sản phẩm nhựa.

Are you seeking Vietnamese suppliers?

Do you want to supply for lead firms?

# MEET UP WITH THE USAID LINKSME AT NEPCON VIETNAM 2021

Funded by the United States Agency for International Development (USAID), the USAID Linkages for Small and Medium Enterprises (LinkSME) project focuses on enhancing the business enabling environment and creating opportunities for small and medium enterprises in Vietnam. The \$24.9 million project runs from September 2018 to September 2023.

Working closely with the Ministry of Planning and Investment, business associations, and public or private business development organizations (BSOs), USAID LinkSME facilitates opportunities for Vietnamese SMEs by:

- Building their capacity to meet the exacting demands of lead firms;
- Facilitating the establishment of longer-term supply relationships between Vietnamese SMEs and lead firms;
- Helping Vietnamese SMEs recover from the economic effects of the COVID-19 pandemic by, among other things, accelerating their digital transformation, facilitating access to finance, and supporting debt restructuring efforts;
- Enhancing the capacity of BSOs to provide many of the above services on a longer-term, sustainable basis.

USAID LinkSME is facilitating business linkages between Vietnamese SMEs and lead firms working in the electronic, metal, textile/garment, agro-processing, wood product, or plastic product sectors (preferred sectors).

Are you seeking Vietnamese suppliers?

Do you want to supply for lead firms?
